Title: JOHN F. KENNEDY RECORDS
COLLECTION ACT OF 1992 (The Act)

Synopsis: Searches completed and pertinent index cards and search slips being forwarded to FBIHQ.

Enclosures: Original index cards and search slips relating to this request.

Details: By EC dated 07/08/1998 to All Field Offices, each office was requested to search indices for any additional assassination related information which may have been placed on record since the previous searches.

A search of Albany's General, ACS, and ELSUR indices failed to reveal any additional information which has not been previously reported to FBIHQ. In addition, a consultation with the secretary to the SAC failed to reveal that any information is stored in that office.

Pursuant to referenced EC, enclosed are the General and ACS indices search slips on those individuals who had additional aliases and the ELSUR indices search concerning all the individuals.

Also enclosed are twenty (20) original indices cards from the Albany Division. Copies have been retained in the general indices.
