Title: JOHN F. KENNEDY RECORDS COLLECTION
ACT OF 1992 (THE ACT)

Synopsis: To advise to JFK Task Force of the results of the new indices search conducted by Salt Lake City (SU).

Reference: 62-HQ-1029205 Serial 418

Details: By EC dated 5/29/98, field offices were requested to conduct new indices searches for any additional assassination related information that may have been placed on record since the previous search.

On 6/8/98, SU conducted a search of its indices and determined that no new assassination related information had been placed on record since the last search was conducted. It was also determined that there was no "archived" SAC material relating to the assassination.
