The originals removed from these files and replaced with duplicate copies of the original were accessioned to the National Archives and Records Administration (NARA) pursuant to the JFK Records Collection Act of 1992. Provision of the JFK Act allowed for certain information to be postponed from public release until the year 2017; therefore, the pages have **NOT** necessarily been released for public review in their entirety.

Under the JFK Act, originals to all material deemed assassination records must be accessioned to NARA regardless of whether the material is open in full or released with information postponed. Therefore, any documents or pages from FBI files accessioned to NARA pursuant to the JFK Act are no longer considered the possession of the FBI. The duplicate pages have been inserted strictly for research purposes.

The copies contained within the previously mentioned file(s) **do not** necessarily show the most up-to-date classification.
