Re Miami letter to Bureau dated 1/26/67.

Set forth below are the principal anti-CASTRO organizations operating in the Miami area. Also included are the identities of sources and informants who are in a position to furnish information concerning the activities of such organizations. Membership figures of the organizations are set forth where such data is known.

Miami is continuing efforts to increase the coverage within these organizations. We are attempting to develop symbol informants within the principal organizations and in some cases placing established symbol informants within the membership of these groups.
