3. Will consider requesting Bureau authority to review subject's toll calls.

ADMINISTRATIVE

Dallas anticipates an early interview of subject in view of his rather friendly attitude toward the reporting Agent. Subject was originally met through DL 275-G-TE who used to be MILLER's partner in substantial bookmaking operation as identified in details of this report. MILLER appears to be working pretty much alone, at least in the operation of the booking location as revealed through spot check coverage. He may be getting his line locally from other bookies in Dallas, but eventually it will have to be determined through check of toll calls whether there is any out of state connection.
