Enclosed to the Bureau are nine copies of a letterhead memo dated and captioned as above.

The informant mentioned in the enclosed letterhead memo is [WF 1196-S\*] (S)

The enclosed letterhead memo is classified "Secret" due to the sensitive nature of the source. In the event this information is later downgraded, it should receive the classification of "Confidential" inasmuch as it [discloses our investigative interest in a diplomatic establishment of a foreign power] and because the information reported could reasonably result in identification of a confidential informant of continuing value and compromise his future effectiveness.
