Re Bureau airtel, 7/5/68, and Bureau letters, 9/3 and 9/13/68.

Enclosed for the Bureau are twelve copies of a letterhead memorandum including information received concerning the activities of the SNFE during the past three months, as well as information furnished to the Bureau.

On 9/10/68, Mr. STEVE CZUKAS, U. S. Customs, Miami, Florida, advised that Customs has been conducting a continuing investigation of the SNFE and its military leader, ARMANDO FLEITES. Mr. CZUKAS said that he had furnished information concerning the presence in the Bahamas of SNFE members to the U. S. Coast Guard, Miami, Florida, in order that it could be transmitted to the appropriate authorities in the Bahamas. As a result, the Bahamas Police authorities were able to arrest the five individuals mentioned in referenced Bureau airtel. Mr. CZUKAS said that he believes that with the surrender of the four SNFE members to Bahamas authorities recently, ARMANDO FLEITES is now left with only one or two men to assist him. Mr. CZUKAS said that the indication is that FLEITES is in very poor physical condition. He based this on an interview which he had with a member of the SNFE, who said that FLEITES is existing on morphine, is not rational, his boat has broken down, and he will have difficulty in maintaining himself much longer. Mr. CZUKAS said that FLEITES is located on Leak Key, off of Andros Island, and is known to have fired on a helicopter of the Bahamian Government which was covering his activities. Mr. CZUKAS said that the

British Marines, who were formerly stationed in the Bahamas, have been removed, and the Bahamian Government has no police force available to effect the capture of FLEITES at the moment, but that on the other hand, they feel that he is contained. He said that the four individuals who surrendered are expected to be tried on various charges, including piracy.
