In discussion with CONLEY, informant was told to contact GRANELLO in NY to complete negotiations for the dredging of the proposed marina site. Informant learned that CONLEY had bribed a highly placed Key West City official to lease the above-mentioned property. *JLA*

On 10/8/65, informant advised that he had been in telephonic contact with CONLEY who told him that he visited JAMES RIDDLE HOFFA approximately 10 days ago in Las Vegas and that HOFFA agreed to try to arrange for the Teamsters Union to loan the Coin Meter Company one million dollars.

Informant advised that Coin Meter Company is presently near bankruptcy and is being sued by the Walter Heller Company in Miami. CONLEY advised that he had withdrawn himself from the Coin Meter Company so that no ex-convicts would be listed as officers and that he was attempting to have the Walter Heller Company withdraw the suit until the Teamster loan comes through. *JLA*
