ReBUcable dated 7/9/73.

A check of the records and logs at La Aurora Airport, San Jose, Costa Rica, on 7/25 and 26/73, failed to indicate that a Grumman Gulfstream, Registration #N-7115, was currently in San Jose and further that no such airplane had landed there within the past 90 days.

Costa Rican police have made a comprehensive survey of all aircraft used by ROBERT VESCO, who is currently under Federal indictment in the U. S., and who has traveled extensively to and from Costa Rica during the past year.

A check of the records with reference to VESCO failed to indicate that he had at any time entered or left Costa Rica in an aircraft identical with the Grumman Gulfstream, Registry #N-7115.
