ADMINISTRATIVE

On 12/12/67, NY 3610-C-TE advised that CHARLES TOURINE is back in NYC and has been for the past week or two. He has not seen TOURINE, however, TOURINE has called him on the telephone several times. TOURINE is interested in having a recorder setup on his telephone in order to record all telephone calls. He is pushing informant to have informant set this up, however, to date informant has refused to do so and stated he has no intention of hooking up this recorder for TOURINE. Informant does not know the purpose of this recorder, but feels it could be because TOURINE is a "degenerate";

ADMINISTRATIVE CONTINUED

he likes to talk dirty to girls on the telephone and gets a charge out of it.

It is noted that in the past the same informant advised that another of the subject's aberrations is stealing articles when he goes into stores. He has a compulsion to steal even though in many instances the article is insignificant in value.

Through liaison the Bureau has furnished the Swiss Police with the Identification records of the subject since he periodically visits Switzerland. The Swiss Police in the event of another visit by the subject will now take steps to have him banned upon arrival.

X(u)

It is noted that TOURINE is already banned by England.

Periodic spot checks of the subject's residence and some of his known NYC hangouts were conducted by SAS PAUL G. DURKIN and CHARLES G. DONNELLY.
