Information previously received from Army indicates subject, recently released Army officer, requested an individual to join and recruit Army Special Forces personnel for mercenary duty for the purpose of taking over Abaco Island in the Bahamas.

Attached teletype sets forth results of interview of subject who claimed he had been in touch with Abaco Independence Movement representatives whom he refused to identify and who asked his assistance in Abaco's quest for independence. Subject claimed he was not recruiting mercenaries and has no interest in obtaining arms.

Attached data being disseminated by teletype to State, CIA, DIA, Army, Criminal Division of the Department and Legat, London. [The Washington, D. C., MI-5 representative is being separately advised.]
