(Nationalities Intelligence)

It is our understanding that the above-captioned individual prior to December, 1960, reportedly furnished information to a Mr. Julian P. Zambianco (possibly Zambianzo), who was President of the National Paper Company in Havana, Cuba. This information was to be relayed to the appropriate United States officials.

It would be appreciated if you could advise whether Zambianco was connected with your Agency and, if so, whether Pimienta was a contact of his. Any information concerning Pimienta's truthfulness and reliability would also be of interest.
