Reurlet 4/21/59.

Portland Potential Security Informant FREDERICK RYAN, a student at Reed College, Portland, Oregon, advised on 4/28/59, that Reed College annually sponsors the Pacific Coast Art Festival, which is held at the college and which is scheduled to be held this year at Portland between the dates 5/21/59 and 5/25/59.

Informant stated that the student committee of Reed College invites artists from the various asundry fields to participate in the festival, which is open to the students and the general public. He advised that the funds for staging this affair are very limited and the participating artists usually donate their services and in many instances defray the cost of their own transportation.
