SUBJECT: RICHARD THOMAS GIBSON  
IS - CUBA

On 1/24/68 JACK M. SMITH, JR., Economic Officer, American Embassy, Bern, furnished information which has been made the subject of an LHM, 5 copies of which are enclosed.

Bern file in this matter has been destroyed in accordance with Bureau approved procedures.

For the information of Rome, GIBSON is the former de facto head of the Fair Play for Cuba Committee (FPCC) in New York. [The Swiss Federal Police (SFP) reported that he arrived in Lausanne, Switzerland, from Algiers in April, 1963. In Lausanne he was employed by one FREDY GILBERT NILS ANDERSSON, who has numerous international leftist connections and who distributed "Revolution Africainé," a monthly published in Paris. More recently the SFP reported that GIBSON had known LEE HARVEY OSWALD. On the basis of this information, an interview of GIBSON appeared desirable, but GIBSON, who was being required to leave Switzerland by Swiss authorities before 12/15/63, could not be located at the address or telephone number in Paris which he had given as where he could be reached.

[It is also pointed out that Geneva is a center for Red Chinese intelligence activity. For information.
