aka Mrs. Jorge Humberto Febles; HECTOR FRANCISCO ALFONSO RUIZ, aka Hector Alfonso, "Fabian"; ET AL; IS-CU." This report contains allegations that while in asylum in the Uruguayan Embassy in Havana, Cuba, in 1963, ALFONSO and several others comported themselves in a manner indicating possible ties with Cuban intelligence. This allegation was not substantiated by the investigation.

It is noted that no record could be located for HECTOR ALFONSO RUIZ at either the Weehawken, NJPD, or at the Garden State Credit Bureau, Clifton, N.J.

The following confidential informants, who are familiar with some Cuban refugee activity in the New Jersey area, advised when contacted as follows that they had no knowledge of ALFONSO.

REQUEST OF THE BUREAU

In line with the continuing efforts of this office to develop additional sources and informants within Cuban refugee organizations, it is felt that an interview with HECTOR ALFONSO is desirable. Accordingly, Bureau authority is requested to interview ALFONSO for the twofold purpose of obtaining whatever information he may have concerning the activities of the MIRR and to assess his potential as an informant. If he should prove cooperative, no affirmative steps will be taken during the interview to direct his activities, but a separate communication will be submitted to the Bureau containing recommendations.
