1. We have been advised by HUNDP that Subject is interested in visiting IDENTITY B of reference during the period 1 - 15 February 1964, and has requested that his visa to MEXICO be adjusted to include the period 14 January - 15 February 1964.

2. While Subject's expected departure from Mexico in January 1964 precludes development of Subject by your Station, as suggested in reference, we would appreciate receiving any additional information which Mexico City may obtain on Subject during the remainder of Subject's tour at the Mathematics Institute.
