Transmittal of the 1948 and 1949 Mexican Telephone Directory

ACROSS: MI

1. Transmitted herewith is a set of telephone directories dealing with the city of Mexico, Federal. Volume I contains an alphabetical listing of subscribers and can be useful in itself or in combination with Volume II, which is the numerical listing by telephone number. Volume I can also be used in combination with Volume III, which is the alphabetical listing by street number. It should be noted that Volume I was bound in two separate books, Volume II was bound in one book, and Volume III was bound in two books.

2. In order to explain a specific use of Volume II, let us say that the telephone number is known to be 51555 which you can easily find on page 37, column 2, Volume II. At this time you are referred to page 37, column 1, Volume I and the listing reads HERRERA, Oscar.

3. Volume III is used in a similar way. The known quantity this time is the street address which, for sake of example, is No. 95 HERRERIAS, found on page 145 of Volume III. You are referred to page 38, column 1 of Volume I and the listing reads HERRERA, Oscar.

4. A considerable amount of energy and expense has gone into the preparation of these books, and it is hoped that they prove useful to your Station. Headquarters reports that it is not in a position to furnish other copies for the Liaison Service.
