8. ADDITIONAL REMARKS (Use reverse if necessary)

John Hart very recently replaced Bruce Cheever and hardly knows me. Cheever has known me for about two years. Bruce Cheever has ext. 4305, room 2 C 20, SOD.

The Warren Street house belongs to a career State Department officer. I rented it furnished when I returned from my overseas assignment in Argentina. During my occupancy the owner (whom I never met) was overseas in Europe.

I sold the First Street house, which I had owned for some six years, when I was going overseas PCS.

I served two tours in our Embassy in Buenos Aires, Argentina.

The Raritan Road address is that of my brother and sister-in-law (John F. and Marion Schell Swenson). My family has lived in and around Plainfield, New Jersey since 1933.

My cover is that of a State Department Foreign Service officer. My wife now works in the State Department with the U.S. Delegation to the O.A.S. She previously worked for A.I.D. and for the Atomic Energy Commission. She has Top Secret clearance and did have a Q clearance.

DATE 22 February 1965	SIGNATURE OF EMPLOYEE
---------------------------------	---------------------------

I own the property in Bethesda, Maryland where I now reside. Best known neighbors, the Webners, live across the street.

Robert N. Dahlgren (x6376, room 2 E 42) was my last supervisor in Argentina. He and I know each other well as do our families. We see each other often.

Al Rodriguez (x2065, Broyhill Building) has known me at work and socially since I returned from Argentina. He lives in the same neighborhood as I.

Mr. and Mrs. Nathan Woodruff have been friends both overseas and in the U.S. He is a senior officer of the Atomic Energy Commission -- probably Security Chief now.

My Deputy, Ben Stotts, has known me professionally and socially for a long time -- in Venezuela, Argentina and the U. S.

Bill Harvey, COS at Rome, was my supervisor before Bruce Cheever and has known me since 1942.

Frank Hughes and John Cavadine of the CI Staff know me well.

Sam Papich of the FBI (Liaison with ^{US}~~US~~) has known of me and my activities for years, here and abroad -- since 1941.

Anthony Vaivada (x5423 IW Office) has known me professionally and socially overseas and in the U.S.

Those named above know pretty much all there is to know about me socially and professionally from years ago until now -- covering my residences abroad and in the U.S.
