## ANALYSIS UNIT - FILE REVIEW

FILE # 112569Reviewed by RJRDate 2 Jul 58BOAN, Angel

SSD 128595 (BOAN, Angel Marcelo AKA: ACOSTA, Angel Marcelo BOAN) -- In Jan. '56 #128595 was of interest for use as a contract agent in Cuba. NAC's were conducted at G-2, State, FBI and CIC-CF with negative results and an OA was granted for his use in Aug. '56. Cancellation of the OA was subsequently effected per the division memo dated 2 Mar 57. There is no indication that he was actually used. Biographically he is described as a native Cuban (DOB: 9 Apr 27 @ Camaguey, Cuba) who was a political writer for "Semanao de Actualidad" a weekly news magazine until it ceased publication in March 1955. At the time of the request he was said to be a writer of "ads" for ALEX, S. A., Cia., PUBLICITARIA, Edificio Banco del Caribe, esq. Prado and Refugio Habana; to be an editor of a Banco del Caribe trade publication; and, to be a night student at the Escuela de Periodismo, Calle G y Linea, Vedado, five nights a week. There is no derog in file as regards Communist sympathies or activities on his part, however, "SIM" files (not further identified) describe him as strongly anti-Batista and as one who was arrested in '52 on charges of plotting against the Gov't.

CROZIER, Mrs. L. E.

\*HCUA Rpt - Appendix IX, p. 1763 lists one Lois CROZIER, Christian Youth Council of Los Angeles, as an "observer" at the Second World Youth Congress held at Vassar College in August 1938. The World Youth Congress, like the American Youth Congress, was described as being completely under the control of Communists. Lois CROZIER was not further identified.

MARCHANT, Col. John C.

\*GF 1-200 - Col. John C. MARCHANT, USAF, has been of continuing interest since '56 re liaison contact and attendance at Agency orientations as pertains Project USEFUL No. 4. Bio data describes him as a native of Boston, Mass., (DOB 21 Feb 09) and a member of the Joint Middle East Planning Committee (under Joint Chiefs of Staff). He has received TS clearance and no derog appears in file. (NOTE: D.C. telephone directory lists but one Col. John C. MARCHANT in this area. According to the listing, the telephone numbers coincide but the address in the directory is given as 3012 16th S Arlington. If the address listed in the notebook is more recent of the two, there is the possibility that #112569 has been in contact with MARCHANT since the date of publication of the directory in August 1957.)

SCHLICKER, Frank

SSD 67201 (SCHLICKER, Frank Lawrence) - Initial covert interest was shown in #67201 in late '51 for his use as an Agent in Latin America. NAC's and BI in 51 and 52 were favorable and use was apparently made of him. The most recent activity in his file evinces procurement of Social Security card in '57 which was mailed to him in care of Leo Calerco, 28W 12th St., NY with the addressor being "Department of Health, Education and Welfare" in NY.

Bio data describes him as having been born in Munich, Germany (11 Jan 1918) of German parents and later naturalized (1944) at San Juan, Puerto Rico after entry into US in 1931 at NYC. After attendance at schools in the US (NY) he served in the US Army in Puerto Rico and married a Puerto Rican girl. His father, who was a baker in NY, died in '47 and his mother reportedly re-married and has been living in Germany since 1949. His occupation was given as that of an accountant. There is no derogatory info in file.
