Review Board

Dear David:

This is to acknowledge your letter of 31 July 1995 to Director of Central Intelligence Deutch regarding the Assassination Records Review Board's formal determinations with respect to certain CIA records.

The appropriate Agency components have again reviewed the two documents which the Board has decided to release to the National Archives in their entirety without redactions. Please advise the Board that the Agency does not plan to appeal to the President to postpone the disclosure of these particular documents.

It is understood that the issues raised in these two documents may be revisited as they appear in other documents in different contexts. We would welcome the opportunity to discuss with you and your staff any issues that may arise with respect to declassifying and releasing CIA-originated information.

Sincerely,

John F. Pereira

The Honorable John M. Deutch
Director of Central Intelligence
The Central Intelligence Agency
Washington, DC 20505

Dear Mr. Director:

In accordance with the President John F. Kennedy Assassination Records Collection Act of 1992 (JFK Act), I am writing to inform you that the Assassination Records Review Board has made additional formal determinations concerning the public disclosure of executive branch records.

Enclosed is a list of the determinations that the Review Board has made. These decisions were premised on several factors including the significant historical interest in the documents and the absence of evidence that the release of the information would cause harm to the United States or to any individual.

You have seven days to appeal these decisions to the President. You are invited to send your representative to the Review Board to examine our copies of the documents for which determinations have been made and to discuss the determinations with my staff.

Sincerely yours,

David G. Marwell
Executive Director
