FROM : SAC, CHICAGO (92-350 SUB L)
SUBJECT: GUS ALEX, aka
AR

The following information was obtained from CG 6502-C on the indicated dates. It is noted that information from this source is monitored and reviewed on a daily basis and pertinent information is expeditiously handled.

It is noted that since the departure of ALEX's paramour, SUZANNE FUEGER, for the trip to visit her mother in Germany, there has been a minimum of activity in the apartment. In the past when ALEX has been in the apartment alone for any length of time he has had frequent visitors, however, on this occasion it seems that the visitors are at a minimum and conversation as well.

Also, the fact that ALEX was served a subpoena to appear before the Federal Grand Jury in Chicago apparently has had a considerable effect on ALEX and he has been reported to be very upset, moody and possibly on the verge of a nervous breakdown, because of this and the fact that his mother has been extremely ill and apparently is not expected to live.

On the morning of May 18, 1965, NATHAN "BUTCH" LADON is in to visit ALEX and they discussed a card game which took place on the previous night which was ALEX's usual Monday night card game. GUS said that he had never seen EDDIE VOGEL as mad as he was over the game. Apparently VOGEL lost a large sum of money.
