NY 3461-C-TE has identified the group in downtown Brooklyn which was assigned to "underboss" CHARLES MINEO as ANTHONY ABBATEMARCO, ANTHONY RICCIARDI, JOE YACCOVELLI, ALLIE GIANNATTASIO and JAMES CORDELLA. The informant related that there might be others in this group which he did not know about.

On 1/5/65, NY 3461-C-TE advised that JOE COLOMBO had made CARMINE J. PERSICO a "captain" and placed him over the above group, which was formerly under MINEO. Informant understood this was done due to the poor health of MINEO and stated that he has not seen MINEO in over two months.
