Enclosed herewith are ten copies of a letter-head memorandum, dated and captioned as above.

On August 29, 1962, MM 492-S, who is acquainted with both pro- and anti-CASTRO activities in Cuba and the U.S., and who has furnished reliable information in the past, made available to SA JAMES D. HAYES a typed, printed sheet captioned: "Communist Plot of Attack on the United States," dated August 15, 1962. On the reverse side of this paper appeared the same message typewritten in the Spanish language.

MM 492-S advised that he received this material from RAFAEL AGUIRRE, representative of the Christian Democratic Movement in the Miami area. MM 492-S stated that he had not observed this or any similar material being distributed, and actually, AGUIRRE only had two copies in his possession, of which he kept one.
