RE: JOHN ROSELLI, aka
AR

Fisur revealed that ROSSELLI's car was at his apartment garage on the morning of 9/13/63 for the first time since 8/28/63 when he left Los Angeles for Las Vegas, Nevada.

LA 4268-C and LA 4396-C* have furnished no information that ROSSELLI has been in Los Angeles since 8/28/63.

JOCH WALTERS, PCI, advised that on 9/11/63 MAURICE H. FRIEDMAN's secretary at the New Frontier Hotel in Las Vegas called the Beverly Crest Hotel, Beverly Hills, California, and made reservations for two rooms for FRIEDMAN and ROSSELLI for 9/11/63. ROSSELLI and FRIEDMAN came to the hotel on 9/11/63 and ROSSELLI stayed there the night of 9/11/63. FRIEDMAN told the hotel to hold ROSSELLI's room for the night of 9/12/63 and add the charges to FRIEDMAN's bill; however, the room held for ROSSELLI was not used.

The Las Vegas Office advised on 9/12/63 that ROSSELLI, MAURICE FRIEDMAN and IRVING LEFF, the latter two being part owners of the New Frontier Hotel in Las Vegas, have been observed nearly every afternoon for the past week at the Desert Inn Country Club in Las Vegas where they were usually playing gin rummy. During the three days prior to 9/12/63 a man named LEO KIMBERLY was observed with ROSSELLI and FRIEDMAN. No background information presently available regarding KIMBERLY.
