MR. PRESIDENT:

Attached is a FBI memorandum relating to alleged training of Negroes in Cuba for disruptive tactics in the U. S.

An October 31 CIA communication on this subject was addressed to Walt Rostow. It reported that there is a training school near Santiago de Cuba where from 100 to 150 young men are being trained in sabotage tactics aimed at bringing about a Negro revolution in this country. It is reported that Soviet instructors teach courses in English, as there is no indication that any of the Negro students were from the United States. Another CIA source described the young men as being from North Vietnam, North Korea, Africa, and Latin-American countries.

To date no concrete evidence has been developed to indicate that any such saboteurs have entered this country since a Cuban sabotage ring in New York City was discovered and immobilized in 1962. [The FBI currently is operating 18 Cuban-trained double agents against the Cubans. None of these have any information indicating Castro has been successful to date in infiltrating Negroes for these purposes.]
