MEMORANDUM TO ALL EMPLOYEES

RE: INTERVIEWS OF FBI EMPLOYEES

All employees are advised that Congress is conducting an inquiry into activities of the Federal Bureau of Investigation. Congressional staff members are conducting interviews of former and current FBI employees. This Bureau has pledged its cooperation with the Congress.

You are reminded of the FBI Employment Agreement (copy attached) with which you agreed to comply during your employment in the FBI and following termination of such employment.

Also, you are reminded of Title 28, Code of Federal Regulations, Section 16.22 (copy attached), which reads as follows:

"No employee or former employee of the Department of Justice shall, in response to a demand of a court or other authority, produce any material contained in the files of the Department or disclose any information relating to material contained in the files of the Department, or disclose any information or produce any material acquired as part of the performance of his official duties or because of his official status without prior approval of the appropriate Department official or the Attorney General in accordance with Section 16.24."

Also, you are reminded of Department of Justice Order Number 116-56, dated May 15, 1956, (copy attached) which, among other things, requires an employee upon the completion of his testimony to prepare a memorandum outlining his testimony.

Our cooperative efforts, of course, must be consistent with the above cited authority. Therefore, if you are contacted for purpose of interview or testimony you are to request approval as required by the Employment Agreement and await authorization before furnishing information, testimony, or record material. 62-217-8

EMPLOYMENT AGREEMENT

As consideration for employment in the Federal Bureau of Investigation (FBI), United States Department of Justice, and as a condition for continued employment, I hereby declare that I intend to be governed by and I will comply with the following provisions:

(1) That I am hereby advised and I understand that Federal law such as Title 18, United States Code, Sections 793, 794, and 798; Order of the President of the United States (Executive Order 11652); and regulations issued by the Attorney General of the United States (28 Code of Federal Regulations, Sections 16.21 through 16.26) prohibit loss, misuse, or unauthorized disclosure or production of national security information, other classified information and other nonclassified information in the files of the FBI;

(2) I understand that unauthorized disclosure of information in the files of the FBI or information I may acquire as an employee of the FBI could result in impairment of national security, place human life in jeopardy, or result in the denial of due process to a person or persons who are subjects of an FBI investigation, or prevent the FBI from effectively discharging its responsibilities. I understand the need for this secrecy agreement; therefore, as consideration for employment I agree that I will never divulge, publish, or reveal either by word or conduct, or by other means disclose to any unauthorized recipient without official written authorization by the Director of the FBI or his delegate, any information from the investigatory files of the FBI or any information relating to material contained in the files, or disclose any information or produce any material acquired as a part of the performance of my official duties or because of my official status. The burden is on me to determine, prior to disclosure, whether information may be disclosed and in this regard I agree to request approval of the Director of the FBI in each such instance by presenting the full text of my proposed disclosure in writing to the Director of the FBI at least thirty (30) days prior to disclosure. I understand that this agreement is not intended to apply to information which has been placed in the public domain or to prevent me from writing or speaking about the FBI but it is intended to prevent disclosure of information where disclosure would be contrary to law, regulation or public policy. I agree the Director of the FBI is in a better position than I to make that determination;

(3) I agree that all information acquired by me in connection with my official duties with the FBI and all official material to which I have access remains the property of the United States of America, and I will surrender upon demand by the Director of the FBI or his delegate, or upon separation from the FBI, any material relating to such information or property in my possession;

(4) That I understand unauthorized disclosure may be a violation of Federal law and prosecuted as a criminal offense and in addition to this agreement may be enforced by means of an injunction or other civil remedy.

I accept the above provisions as conditions for my employment and continued employment in the FBI. I agree to comply with these provisions both during my employment in the FBI and following termination of such employment.

OFFICE OF THE ATTORNEY GENERAL

WASHINGTON, D. C.

May 15, 1956

ORDER NO. 116-56

It is the policy of the Department of Justice to extend the fullest possible cooperation to congressional committees requesting information from departmental files, interviews with department employees, testimony of department personnel, or testimony of Federal prisoners. The following procedures are prescribed in order to effectuate this policy on a basis which will be mutually satisfactory to the congressional committees and to the Department. [This order supersedes the Deputy Attorney General's Memorandum No. 5, dated March 23, 1953, and his Memorandum No. 97, dated August 5, 1954. It formalizes the Attorney General's press release of November 5, 1953, establishing procedures to permit committees of the Congress and their authorized representatives to interview and to take sworn testimony from Federal prisoners. It supplements Order No. 3229 (Revised) dated January 13, 1953, and Order No. 3464, Supplement No. 4 (Revised) dated January 13, 1953 (with Memorandum of "Authorization Under Order No. 3464 Supplement No. 4 (Revised)" dated January 13, 1953), insofar as said orders have reference to procedures to be followed in the Department's relations with congressional committees. In support of this order, reference should be had to the President's letter dated May 17, 1954, addressed to the Secretary of Defense, and to the Attorney General's Memorandum which accompanied it.]

A. REQUESTS FOR INFORMATION FROM DEPARTMENT FILES

1. Congressional committee requests for the examination of files or other confidential information should be reduced to writing, signed by the chairman of the committee, and addressed to the Deputy Attorney General, who is responsible for the coordination of our liaison with Congress and congressional committees. The request shall state the specific information sought as well as the specific objective for which it is sought. The Deputy Attorney General will forward the request to the appropriate division where a reply will be prepared and returned for the Deputy Attorney General's signature and dispatch to the chairman of the committee.

2. If the request concerns a closed case, i. e., one in which there is no litigation or administrative action pending or contemplated, the file may be made available for review in the Department, in the presence of the official or employee having custody thereof. The following procedure shall be followed in such cases:

a. The reply letter will advise the committee that the file is available for examination and set forth the name, telephone extension number, and room number of the person who will have custody of the file to be reviewed;

b. Before making the file available to the committee representative all reports and memoranda from the FBI as well as investigative reports from any other agency, will be removed from the file and not be made available for examination; provided however that if the committee representative states that it is essential that information from the FBI reports and memoranda be made available, he will be advised that the request will be considered by the Department. Thereafter a summary of the contents of the FBI reports and memoranda involved will be prepared which will not disclose investigative techniques, the identity of confidential informants, or other matters which might jeopardize the investigative operations of the FBI. This summary will be forwarded by the division to the FBI with a request for advice as to whether the FBI has any objection to examination of such summary by the committee representative. The file will not be physically relinquished from the custody of the Department. If the committee representative desires to examine investigative reports from other government agencies, contained in the files of the Department, he will be advised to direct his request to the agency whose reports are concerned.

3. If the request concerns an open case, i. e., one which litigation or administrative action is pending or contemplated, the file may not be made available for examination by the committee's representative. The following procedure shall be followed:

a. The reply letter should advise the committee that its request concerns a case in which litigation or administrative action is pending or contemplated, and state that the file cannot be made available until the case is completed; and

b. Should briefly set forth the status of the case in as much detail as is practicable and prudent without jeopardizing the pending contemplated litigation or administrative action.

B. REQUESTS FOR INTERVIEWS WITH DEPARTMENTAL PERSONNEL

1. Requests for interviews with departmental personnel regarding any official matters within the Department should be reduced to writing, signed by the chairman of the committee, and addressed to the Deputy Attorney General. When the approval of the Deputy Attorney General is given, the employee is expected to discuss such matters freely and cooperatively with the representative, subject to the limitations prescribed in A respecting open cases and data in investigative reports;

2. Upon the completion of the interview with the committee representative the employee will prepare a summary of it for the file, with a copy routed to his division head and a copy routed to the Deputy Attorney General.

C. EMPLOYEES TESTIFYING BEFORE CONGRESSIONAL COMMITTEES

1. When an employee is requested to testify before a congressional committee regarding official matters within the Department the Deputy Attorney General shall be promptly informed. When the Deputy Attorney General's approval is given the employee is expected to testify freely subject to limitations prescribed in A respecting open cases and data in investigative reports;

2. An employee subpoenaed to testify before a congressional committee on official matters within the Department shall promptly notify the Deputy Attorney General. In general he shall be guided in testifying by Order 3229 (Revised) and the President's letter of May 17, 1954, cited at the beginning of this Order.

3. Upon the completion of his testimony the employee will prepare a memorandum outlining his testimony with a copy routed to his division head and a copy routed to the Deputy Attorney General.

D. REQUESTS OF CONGRESSIONAL COMMITTEES FOR THE TESTIMONY OF FEDERAL PRISONERS

Because of the custodial hazards involved and the extent to which their public testimony may affect the discipline and well-being of the institution, it is the policy of the Department not to deliver Federal prisoners outside the penal institution in which they are incarcerated for the purpose of being interviewed or examined under oath by congressional committees. However, when it appears that no pending investigation or legal proceeding will be adversely affected thereby and that the public interest will not be otherwise adversely affected, Federal prisoners may be interviewed or examined under oath by congressional committees in the institution in which they are incarcerated under the following procedures, and with the specific advance approval of the Deputy Attorney General.

1. Arrangements for interviewing and taking of sworn testimony from a Federal prisoner by a committee of the Congress or the authorized representatives of such a committee shall be made in the form of a written request by the chairman of the committee to the Deputy Attorney General.

2. Such written request shall be made at least ten (10) days prior to the requested date for the interview and the taking of testimony and shall be accompanied by written evidence that authorization for the interview or the taking of sworn testimony was approved by vote of the committee.
