June 3, 1970

DE T-1, who has furnished reliable information in the past, advised on June 2, 1970, that representatives of the Black Panther Party (BPP), in Detroit, Michigan, will speak at a rally scheduled for 2:00 PM, June 3, 1970, at Beaumont Tower, Michigan State University (MSU), East Lansing, Michigan. Rally is being sponsored by Revolutionary Council to Combat Racism, a recently formed group that is not listed as an official MSU student organization.

A characterization of the BPP is contained in the appendix attached hereto.

DE T-2, who has furnished reliable information in the past, advised on June 2, 1970, that the BPP representatives speaking at MSU, June 3, 1970, will probably be Oliver Mc Clure and Larry Powell. Mc Clure is the leader of the BPP in Detroit, which is known as the National Committee to Combat Fascism (NCCF), and Powell is the leader of the east side faction of NCCF.

DE T-3, who has furnished reliable information in the past, advised on June 3, 1970, that approximately 400 persons about 85 percent white and 15 percent black, attended a rally at 2:00 PM, June 3, 1970, at Beaumont Tower, MSU, sponsored by the Revolutionary Council to Combat Racism.

Re: Rally Sponsored by Revolutionary

June 3, 1970

Samuel Lewis Riddle, Jr., representing the Black Liberation Front, International (BLFI), a MSU student organization composed of black students, introduced two speakers identified as representatives of the Detroit BPP. The first speaker was Larry Powell who spoke about the trial of Bobby Seale and how the authorities in New Haven, Connecticut, were attempting to murder him. He indicated that the BPP will not allow Bobby Seale to be murdered. There were no incidents and the rally dispersed at 3:00 PM.

DE T-2 advised on June 3, 1970, that Powell and Mc Clure traveled to East Lansing on June 3, 1970, in order to speak at a rally.

The following articles captioned "Black Panthers Speak Out Against Racism in America", that appeared on page two, issue June 4, 1970, of the MSU "State News", the official MSU student newspaper, published in East Lansing, and "Panthers Claim 'Kill Seale' Plot", that appeared on page A-2, issue June 4, 1970, of "The State Journal", a daily newspaper of general circulation published in Lansing, Michigan, are as follows:

# Black Panthers speak out against racism in America

By JACKIE BORDEN  
State News Staff Writer

Observing how whites practice racism, Brother Larry, representative of the Black Panther party in Detroit, said, "White people don't understand that we're not going to sacrifice Bobby Seale."

Representatives from the Panthers appeared at a rally Wednesday afternoon to acquaint the campus community with the Panther position on the trial of Bobby Seale and other related aspects of the revolution.

The rally, sponsored by the Revolutionary Council to Combat Racism, drew a crowd of about 300 students.

Sam Riddle, member of the executive council of the BLF and speaking for the organization, opened the rally. "In 1970 a lot of us are seeking to protest the illusion of progress. In 1970, reality is not on college campuses; reality is not getting shot," he said.

Riddle introduced Brother Larry from Detroit.

Brother Larry, observing how whites still practice racism, noted the deaths of students in Kent, Jackson and Augusta. "White people don't understand that we're not going to sacrifice Bobby Seale," he said.

"These brothers are dealing everyday by putting life on the line," he said.

"Blacks are still repressed as a group because of the racism in this country. The political consciousness of the black community has increased due to this," Brother Larry continued.

"The whole economy in America has transcended itself to a military state. The situation here is like the situation was in Nazi Germany," he said.

"Panthers are assuming the leadership here in this country," he said. "The struggle in the colonies and in the mother country directly affects the police state we live in."

"Panthers are moving whether white people move or not. The so-called white revolutionary can't relate because they are still basically racist. The Panther ideology," he said, "is not racist."

Commenting on the imprisonment of Huey P. Newton, minister of defense for the party, he said, "He will be set free by the ultimate power of

the people. All the legal means will be exhausted. We will not compromise our convictions for "tricky Dick" or other racists.

"Field niggers" and brothers "off the block" comprise the membership of the party said Brother Larry.

Denouncing culture nationally, he stressed the fact that members did not have time to talk because they were dealing

with revolutionary nationalism to free the people.

"We will kill anyone who kills us or tries to kill us."

A member of the Revolutionary Council read a statement by Tom Hayden, one of the Chicago Seven, reiterating the council's stand against racism, personal and institutional.

## Panthers Claim 'Kill Seale' Plot

Two Black Panthers from Detroit told about 350 students at Michigan State University Wednesday afternoon that they "would not accept this premeditated decision to kill Bobby Seale."

Seale, national chairman of the Black Panther Party, is to go on trial soon with eight Connecticut Panthers in New Haven, Conn., for conspiracy to murder, among other charges.

One of the Panthers, identified only as "Larry," said that "Connecticut fascists" have already decided to kill Seale in an effort to stop the Black Panther Party.

He said blacks were victims of systematic racist repression and called on "courageous and progressive" white people to organize in their own communities to fight discrimination.

"We Black Panthers are not racist at all," he contended.

In an unemotional monotone, "Larry" also said Panthers were not going to continue to commit suicide but were "going to move in a political fashion."

Sam Riddle, Flint sophomore and member of the executive council of the MSU Black Liberation Front International, said that those Black Panthers and sympathizers who had been in the military services had learned that the only way to reply to M-16 rifles or other weapons is "likewise."

The Revolutionary Council to Combat Racism sponsored the event at Beaumont Tower.

APPENDIX

1

BLACK PANTHER PARTY (BPP)

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland Police Officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere? Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-Tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."
