NOTE:

San Diego recommended sending a clipping from the Black Panther Party newspaper to Ron Karenga, head of the US organization, with a cover note ostensibly from a member of US in San Diego. The article is an attack on Karenga by the Panthers and sending it to him will continue the developing feud between these two black extremist organizations. Since the letter is anonymous, there is no possibility of embarrassment to the Bureau.

COUNTERINTELLIGENCE PROGRAM

Enclosed for the Bureau is one Xerox copy of newspaper article concerning RON KARENGA.

For the information of the Bureau, the enclosed newspaper article appeared in the 10/25/69 issue of the BPP. The article, which is an attack on RON KARENGA of the US organization, is self-explanatory. It is felt that if the following letter be sent to KARENGA, pointing out that the contents of the article are objectionable to members of the US organization in San Diego, the possibility exists that some sort of retaliatory action will be taken against the BPP.

The Bureau is therefore requested to approve sending the following letter anonymously to RON KARENGA in Los Angeles:

"Msaada, Maulana!

"Maulana, I'm sending you an article the panther pigs here in San Diego think is way out.

"What are we going to do about it? We don't feel we can just let it pass, but don't want to move on it without your okay.

"Do you have any ideas?"

RON KARENGA

LEROI JONES

BLACK THING CO-OPTED

Ron "Malingering" Karenga, founder and misleading bourgeois priest of the US organization and cultural nationalism, must be described as being synonymous to the lying, murdering, demagogic pigs of the USA's organization, the CIA. But perhaps he is one lower than the usual run of the mill pig, because he has sold out and he is still selling out. He is using his Black skin and the foul knowledge embodied in his bald head to mesmerize Black people, to lead the people into believing a dashiki is more powerful than a pig's speeding bullet. The reason that pork chop nationalists have been able to get people to support their banner, which is manifested in a teaspoon of apolitical rhetoric, is because Black people are looking for something, for anything functional to eliminate the oppressor country fascists that have gone crazy, misleading, denying, and murdering them.

When rebellion sprang out in the colony, it was very beneficial for some greedy, articulate, nigger with a beard, bald head, and shades to take to the podium expounding on a Black-and-proud line, with slogans appealing (not necessarily helpful) to oppressed ears. This has been the basis for the coming together of the cultural nationalist in the Black colony of Babylon. In the outstart, the pig power structure saw this as an advantage. They (the pigs) knew Black people were moving in a new direction, even though the direction in which they were moving was spontaneous, it

was expressing itself in more violent terms. So the fascists put blood money into the colony and the pork chops slid into the melting pot. Now they are full-fledged pigs, out to corral and pacify a new wave called the "Black thing". The aim is to turn it toward Black capitalism.

So with the help of pig money, the cultural nationalists are sponsoring Black. When we have the occasion to check out various news media, Blackness is now in vogue. It has become as commercial as Coca Cola, an inroad to capitalism.

But, the aim of double O agent Karenga and his elite core is not to make Black capitalists out of Black people, but to keep them at the "buy Black" level, that is customers. So this is the purpose of their doctrine: to build a character around Blackness deeply embodied with 16th century Africa and western styled burkas with matching bell bottoms, hoping that they can build a brainwashing or charisma to make Black people believe being Black, living Black, buying Black, etc. is the essence of liberation. But we say to Karenga, and Jones, and all the rest of their misleading fools who grin at the people, that we are hip to you and will not allow you to erroneously lead the people down the road to capitalism. We have experienced pig capitalism; and for what it's worth we can forget it!

Regarding the Bureau-approved information furnished to [redacted] Criminal Investigative Section, Internal Revenue Service, on 12/2/69, [redacted] advised that his investigation has determined that US, Inc., has not filed any required tax returns for 1965, 1967 or 1968. [redacted] explained that three possibilities in this regard exist:

- 1) US, Inc., is guilty of tax evasion;
- 2) US, Inc., has not realized sufficient income to require them to file tax forms; or
- 3) US, enjoys a tax exempt status.

[redacted] advised that his investigation is continuing and he is presently attempting to locate the books and records of this corporation to determine which of the three conditions exist.

III.

TANGIBLE RESULTS

As a result of the Bureau-approved information furnished to the San Diego Police Department regarding the "sex orgies" being held at BPP Headquarters in San Diego, which had not previously been known to the Police Department, a raid was conducted at BPP Headquarters on 11/23/69. [redacted] San Diego Police Department, Intelligence Unit, advised that, due to this information, he assigned two officers to a research project to determine if any solid basis could be found to conduct a raid. His officers discovered two outstanding traffic warrants for O'NEAL ACKLES, a member of the BPP, and his officers used these warrants to obtain entry into BPP Headquarters.

As a result of this raid, O'NEAL ACKLES, WILLIE JAMES WARD, VERNON GOMES, GIORIA JEAN SHIELDS, KAREN JEANETTE BRIDGES and GWENDOLYN ELOISE RANDOLPH were all arrested. Seized at the time of the arrests were three shotguns, one of which was stolen, one rifle, four gas masks and one tear gas canister.

On 11/24/69, [redacted] San Diego County Sheriff's Office was apprised of the raid. He stated that he had not previously heard of the raid and was interested in obtaining the

shotguns seized to determine if one of these shotguns could be the one which was utilized in the shooting incident concerning SAMUEL and FANIA JORDAN the night of 11/17/69. [redacted] made arrangements to obtain these shotguns, ran tests on them, but was unable to tie either of the shotguns to the above-mentioned shooting.

Also, as a direct result of this raid, the six remaining members of the BPP in San Diego were summoned to Los Angeles on 11/28/69. According to [redacted], GLORIA SHIELDS, WILLIE WARD, ZEME TATE, ANTHONY DUMAS and DESMOND MILLER were summoned to the Los Angeles Headquarters of the BPP. Upon their arrival, they were informed that due to numerous problems with the BPP in San Diego, including the recent raid on BPP Headquarters, the BPP Branch in San Diego was being dissolved. All of the members were ordered to remain in Los Angeles and obtain employment and work out of the Los Angeles Branch of the BPP.

According to [redacted] GLORIA SHIELDS and WILLIE WARD, ZEME TATE and DESMOND MILLER resigned from the BPP in preference to remaining in the Los Angeles area. ANTHONY DUMAS is reportedly going to remain in Los Angeles and is presently in that city. Also, according to [redacted], DUMAS was supposed to return to San Diego within the next few days with orders from BPP Headquarters as to what final disposition is to be made of all BPP property in the San Diego area. DUMAS will reportedly then return to Los Angeles and join the Los Angeles Branch of the BPP.

On 12/2/69, [redacted] was interviewed in regard to the 44 case concerning SAMUEL and FANIA JORDAN. At this time, due to the nature of the inquiry, TATE was very cooperative and indicated that he had resigned from the BPP.

Also, as a direct result of the above raid, [redacted] have reported that GLORIA SHIELDS has been severely beaten up by other members of the BPP due to the fact that she allowed the officers to enter BPP Headquarters the night of the raid.

IV. DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

The most interesting aspect concerning counterintelligence interest at this time, centers around the possibility that the BPP in San Diego has been dissolved. This reported development is being closely followed by the San Diego Office, and continued counterintelligence requests will be submitted to insure that if, in effect, the Party has been dissolved, it will be difficult for them to resume operations.

It is also interesting to note that probably as a result of the above activity, there has not been any recent conflict reported between the BPP and US, Inc., in the San Diego area.

Re San Diego letter to the Bureau 10/6/69.

I. OPERATIONS UNDER CONSIDERATION

Four requests for counterintelligence action are presently awaiting Bureau evaluation.

One of these requests concerns an anonymous letter directed to BPP headquarters, Oakland, objecting to BPP headquarters, San Diego, being utilized for sex orgies. Another concerns a letter to BPP headquarters, Los Angeles, objecting to activities of ANTHONY DUMAS in San Diego.

The third request concerns an article which appeared in the BPP newspaper of 10/25/69. This article attacks RON KARENGA of US. A request has been made to mail the article to KARENGA and urge retaliatory action.

The fourth request concerns a possible raid conducted on BPP headquarters, San Diego, by the San Diego Police Department.

Newark is being requested by separate communication to determine if EVERETT LEROY JONES is prohibited from travelling outside the immediate Newark area by any court order and/or probation or parole department order. If it did, Bureau permission will be requested to invite JONES to speak at Los Angeles and/or San Diego areas. And, if the invitation is accepted, would result in the violation of the above mentioned conditions and possibly be culminated in the arrest of JONES.

II. OPERATIONS BEING EFFECTED

Bureau approved information regarding the incorporation of US, Incorporated, has been furnished to [redacted] Criminal Investigative Section, Internal Revenue Service. On 11/7/69, [redacted] advised that he has made appropriate inquiries concerning whether or not this group has filed the necessary forms and expects results of his inquiries in approximately two weeks. [redacted] stated that he has requested information as to whether or not US filed the appropriate forms for the years 1967 and 1968.

No results have thus far been obtained from the Los Angeles Division concerning any reaction to the Bureau approved anonymous letter mailed to RON KARENGA concerning the white men who attended an US meeting.

Results are being observed concerning the Bureau approved information furnished to [redacted] of Governor REAGAN's office. The Bureau is requested to see the following section of this letter for results thus far observed.

III. TANGIBLE RESULTS

Since the Bureau approved telephone call was placed to SYLVESTER BELL on 1/25/69 concerning WALTER WALLACE being a "pig", the accusations against WALLACE have continued by various members of the BPP, including [redacted]. The results of these accusations came to a climax about two and one half weeks ago and approximately two weeks ago WALLACE was kicked out of the BPP for being a "pig" and for "not relating right." At the present time, the San Diego members of the BPP are looking for WALLACE who is in hiding, apparently for the purpose of beating him up.

On 11/4/69, local news media carried a story reflecting that State Senators and Representatives in California have launched a statewide investigation into the misappropriation of funds designated for the various state colleges. This investigation follows, within one week, information received from [redacted] of Governor REAGAN's office, that she had made the Bureau approved confidential information available to the Governor on a confidential basis. It is felt that the Bureau approved information furnished to [redacted] on 9/19/69, contributed greatly or was solely responsible for the above mentioned investigation presently being conducted by the state.

IV. DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

At the present time things are unusually quiet in the Southeast section of San Diego. No recent conflicts have been noted between the rival militant US and BPP groups. There is, however, some internal strife within the BPP concerning the sex orgies at BPP headquarters. Counterintelligence action has been requested in this regard.

WALTER WALLACE and MO MORAN both appear to be out of the BPP at the present time. BPP members are reportedly looking for WALTER WALLACE in an effort to administer a beating to him.

I. OPERATIONS UNDER CONSIDERATION

The BPP in San Diego is being forced to move from
their headquarters, 2952 Imperial, due to being \$400 in arrears
in rent. Informants advise the BPP leadership is considering
renting a house at 311 Boundary in San Diego. Attempts are
being made to determine the owner of this property. Depending
upon the identity of the owner, Bureau authority may be
requested to attempt to block the renting of this house by
the BPP.

Informants report that VELMA GREEN, a BPP member,
receives approximately \$173 per month from the Welfare
Department. BPP headquarters in Oakland has reportedly
demanded that the entire check be forwarded to BPP headquarters.
GREEN explained to headquarters that she and WALTER WALLACE
were married and have a small child to support. The BPP
then directed GREEN to send \$74 of her check to BPP headquarters
each month.

This situation is being carefully scrutinized to determine if any counterintelligence action can be utilized without jeopardizing the security of any informant. If this can be accomplished, appropriate requests will be submitted for Bureau evaluation.

II. OPERATIONS BEING EFFECTED

Bureau approved anonymous telephone calls were placed on 9/16, 22, and 24/69, to Auxiliary Bishop JOHN QUINN protesting the activities of Father CURRAN at Christ the King Church and the attempted furtherance of the BPP Breakfast Program by Father CURRAN. During the telephone conversations with Bishop QUINN he appeared quite concerned over the situation in that parish, and stated that he was looking into it.

In addition, on 9/18/69, the letter as outlined in San Diego airtel to the Bureau 9/29/69, and approved in Bureau letter to San Diego 9/9/69, was mailed to Bishop LEO MANER.

For tangible results observed in this regard, see the following section of this letter.

Bureau approved information was furnished to Representative of Governor HEMMAN's office, regarding use of the Black Student Council (BSC) office at San Diego State College (SDSC) by the US organization in obtaining supplies and utilization of the mimeograph machine. Mrs. WENGER is presently attempting to determine if any school financial sources are being used for purchase of supplies and operation of the mimeograph machine in the BSC office at the college. If school funds are being utilized to support the BSC at SDSC, Mrs. WENGER will so advise the Governor and recommend that appropriate action be taken to preclude the continued use of those facilities by a black militant group.

The Bureau approved letter to RON KARENGA is being prepared on commercially purchased stationery, incorporating the changes pointed out in referenced Bureau letter to San Diego 9/17/69.

Bureau approved information regarding the incorporation of US. Incorporated, has been furnished to ~~Internal~~ Criminal Investigative Section, Internal Revenue Service. ~~Internal~~ is presently attempting to determine whether or not a Form 1120 has been submitted by that organization as required by law. Upon determination of this fact, the Bureau will be contacted for any further action which appears logical.

III. TANGIBLE RESULTS

On 10/1/69, a pretext telephone call was placed to the rectory of Christ the King Church in San Diego, at which time Father GALLAS, Pastor, advised that Father CURRAN was no longer at that parish and had been permanently transferred to the San Francisco Bay Area.

In addition, ~~Internal~~ Internal Investigative Unit, San Diego Police Department, who has a close friend in the chancery office, advised that Father CURRAN has been transferred to a "rehabilitation center" for appropriate counselling after which he will be transferred to a location somewhere in the State of New Mexico for permanent assignment. This information was volunteered when a routine inquiry was made at the Police Department concerning what, if any, current activities Father CURRAN was engaged in.

In view of the above, it would appear that Father CURRAN has now been completely neutralized.

The BPP Breakfast Program, without the prompting of Father CURRAN, has not been renewed in the San Diego area. It is not anticipated at this time that any efforts to re-establish the program will be made in the foreseeable future.

~~Internal~~ on 9/25/69, reported that the parishioners of Christ the King Church participated in a vote and solidly defeated a proposal to reinstitute the BPP Breakfast Program.

IV.

DEVELOPMENTS OF COUNTERINTELLIGENCE INTEREST

Informants have reported that HAROLD CARTER and JAMES THOMAS, both of whom are believed to be underground members of the BPP, have been declared "pigs" by the BPP office in Los Angeles. As a result, both of these individuals have fled from the San Diego area, are in hiding, and their whereabouts are unknown.

At the present time, nine of the sixteen active BPP members in the San Diego area are in custody on various charges.

RONALD FREEMAN has reportedly fled from the San Diego area due to extensive efforts by the San Diego Police Department on information furnished by the San Diego FBI office to effect his arrest. The latest information concerning FREEMAN's whereabouts reveals that he is believed to be hiding out in the area immediately north of the San Francisco Bay Area. It was not possible to cause FREEMAN's arrest while he was in the San Diego area as to do so would have seriously jeopardized the confidential relationship and safety of sensitive informants who are of continuing value to the Bureau.
