SUBJECT: SENSTUDY -75-

#MDE/6

DATE 10-11-00 SP2 ALM/ATB

Special Agent Leo Brenneisen, San Francisco Office, spoke with Dennis Miller on August 6, 1975. He said he is scheduled to be interviewed by a staff member of the Senate Select Committee on August 11, 1975, about COINTELPRO - Black Panther Party (BPP), and has been released from the secrecy agreement by teletype dated July 30, 1975.

He continued that he was unsure how to answer four questions should they be asked.

He stated the possible questions. Miller conferred with Seymour Phillips and called Brenneisen back on August 6, 1975.

Here are the questions and the advice given by Miller:

1. What was the membership and number of chapters of the BPP in the 1970s? Brenneisen wanted to know if he should answer the question. He was told he could answer.
2. Where did the idea originate to furnish false Oakland, California, Police Department reports to BPP? Brenneisen said this was a suggestion

by FBIHQ, and wanted to know if he should answer the question. He was told if he is positive the idea originated at FBIHQ, so state. If not positive, so state.

3. What are the names of the Special Agents who prepared correspondence to Eldridge Cleaver in an effort to cause unrest between Cleaver and Newton? He wanted to know if he should answer the question. He was told to ask the staff member conducting the interview to have the Senate Select Committee request this information from FBIHQ.

4. Do you think your conduct in these matters was legal or moral? He wanted to know if he had to answer the question. He was told he could answer the question if he chose to.

He was told he did not have to answer any question, the Committee has the power to subpoena witnesses, he should not interpret any of Miller's advice as instructions to be uncooperative with the Senate Select Committee and its staff.
