SUBJECT: NATIONAL ORGANIZATION FOR  
A NEW SOCIETY (NONS)  
INTERNAL SECURITY - NORTH VIETNAM

*Symbol Informant*

This is to secure authority for CG 7116-E to travel to North Vietnam on NONS-sponsored tour at cost of \$260, and to permit Central Intelligence Agency (CIA) to interview informant regarding targets of foreign intelligence interest prior to and following travel.

*Third Agency*

CG 7116-E, who has assisted Chicago Office since 1966 furnishing information related to extremists (authorized \$175 per month for services and \$50 per month for expenses), received invitation from NONS, a new Philadelphia antiwar organization, to participate in expense-paid tour of North Vietnam, departing New York 11/20/71. Group of 13 in tour scheduled to visit North Vietnamese delegation in Paris and Americans imprisoned in North Vietnam with objective of exchanging antiwar views and to support North Vietnamese position. Chicago has requested expenses for informant in amount of \$260, which includes transportation (\$110) and lodgings, meals, and incidentals (\$150) prior to departure from U. S. We feel this travel is excellent opportunity to develop intelligence relating to North Vietnamese influence on domestic extremists.

CIA has outstanding request for our assistance in developing sources who can visit North Vietnamese delegation in Paris and North Vietnam and has specific interest in location of American prisoners in North Vietnam. We believe Agency should be allowed to interview informant before and after his travel regarding its foreign intelligence interests.

**ACTION:**
