You are authorized to send the two anonymous letters set out in reairtel. Prepare the letters on commercially purchased stationery and take all necessary precautions to insure they cannot be traced to the Bureau.

When the letters and envelopes are prepared, send them to the Baltimore Office for mailing. For the information of Baltimore these two letters are designed to bring the true nature of the Washington Spring Project to the attention of Negro leaders in Selma, Alabama. Mail the letters the same day they are received from Mobile.

The Bureau appreciates Mobile's suggestion. Advise the Bureau, under the above caption, of results.

NOTE:

SAC, MO, recommends that an anonymous letter showing the true nature of Martin Luther King's Washington Spring Project be sent Rev. Frederick Reese in Selma, Ala. Reese has made derogatory remarks about King. Instead, this letter would be sent from another city (DA) with a copy to the editor of the local newspaper, the "Selma Times-Journal," to give the newspaper an opportunity to interview Reese about the letter and possibly publicize its contents. This newspaper has a wide Negro leadership. The letter will note the march is for King's personal aggrandizement, he is interested mainly in donations, there is no provision to house or feed marchers, and there might be violence. Black nationalists take over the march.

ReBuTelCall to me 3/12/68, and BuRad 3/21/68.

I have considered this matter, discussed it with appropriate agent and supervisory personnel of the Mobile Office and the following is proposed as a counterintelligence move on KING's Washington Spring Project.

KING has quite a following in and around the Selma, Ala. area and has appeared recently in Selma on one occasion at the church of Reverend L. L. ANDERSON, who, at the time of KING's appearance, was running for mayor of Selma. ANDERSON was tentatively endorsed by KING and was subsequently defeated in his race for mayor of Selma.

By handling as above, we would eliminate the possibility of these rumors being attributed to the FBI.

Consideration has been given to some method of discouraging [REDACTED]

[REDACTED] From our contact [REDACTED] who is a liaison source, it is the opinion of contacting agents that he is so sold on the project that it is almost impossible to disillusion him. [REDACTED]

It is also felt that some method of getting an article in the "Southern Courier" along the lines of the above would have a discouraging effect on the Negro community in and around Montgomery, Ala., since the Courier is very widely read. Consideration is being given to the method of accomplishing this.

The Bureau is requested to consider the proposal set forth above and advise.

RE: COMMUNIST INFILTRATION OF THE
SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE

All offices are cautioned that any information developed concerning the SCLC relating to racial matters must be reported under the racial matters caption. It should be noted that the [REDACTED] maintains a separate file on SCLC relating to racial incidents (157-632). All investigation under the caption of this letter must be limited to and directed toward determining the extent of communist infiltration of the SCLC.

NOTE ON YELICH:

[REDACTED]

Review of correspondence received at the Bureau under various captions relating to the activities of SCLC and its leader, Martin Luther King, Jr., indicated the [REDACTED] King and [REDACTED] New York and Atlanta were instructed to make a complete review of all information concerning this matter and to furnish the Bureau recommendations concerning a communist infiltration investigation. New York recommended a COMINFIL investigation of the New York chapter [REDACTED] of the New York chapter of the SCLC. New York also recommended a COMINFIL investigation of SCLC due to the fact that four CP members are presently associated with SCLC and that at least one of these members is an officer of SCLC and close to King. [REDACTED]

It is believed a communist infiltration investigation is warranted. See memo Baumgardner to Sullivan, same caption, dated October 22, 1962. RJR:ccb.

Prior correspondence received from Atlanta and New York indicates Stanley David Levison, Communist, Hunter Pitts O'Dell, who has had prior connections with CP, are influential with Martin Luther King, Jr., head of the Southern Christian Leadership Conference (SCLC).

It is noted O'Dell is employed by SCLC and is in charge of the New York office of this organization. Early this year the New York Office furnished information the New York Friends of the Southern Christian Leadership Conference (NYF, SCLC) had been organized by CP members; however, this organization ceased activity on 2-22-62 and the matter was closed subject to reopening and reporting in the event additional information was developed concerning its continued existence. This latter organization was organized to give some financial support to the SCLC.

Atlanta and New York are instructed to review files, contact sources and determine whether the CP is exerting any influence on the SCLC through Levison and O'Dell or others and/or whether the Party is making any attempts to infiltrate this organization. The Bureau should be furnished a comprehensive summary of the information available to each office concerning all
