⊙ Lead, antimony, & barium  
"gun shot residue"

a gun has been in the mitt -

4/10/95

BK advised me that Mark  
Touhey had provided Jim Hamilton,  
Attorney, copies of the entire 302's of -

- Lisa Foster
- Beryl Anthony
- Sheila Anthony
- Sharon Bowman

BK said Hamilton will probably  
be mad abt the redacted part of the  
302-

[I saw copies of Lisa's 302 in Hamilton's  
possession on 4-7. I had assumed JH got it  
from public record/archiver. He said several things in  
the 302 were wrong. Lisa: saw VF last in front hall, not  
in kitchen].
