Re: Ken/Miguel

At 8:25 am today, I checked my voice mail. Ken Starr had called and left a message at 7:06 pm , Thurs. evening, the night before, to this effect:

Talked with Miguel for about 45 minutes. M. was at his law office, U.S. Attys office in Sacramento. He is already very busy with cases.

Ken will fill me in when we next meet face to face. Positive conversation. Told Miguel we want to keep in touch. H. E. had tried to reach him at parents. Will be calling him.
