USPP - Det. - little or no exp. in vet. murder.

A moron of errors & omissions
Glaring omissions

① USPP didn't canvass the area for witnesses -

✓ Why not interview
Sec. guard at Saudi Embassy.
Closed cir. sec. camera

Rear entrance - erroneously described
only for pedestrians

Officer pager returned. Whose #'s -

USPP
didn't vac. clothes for hairs & fibres

Fiske - carpet fibres

Follow all leads -

When all facts in - then conclude
facts determine wh. suicide or murder.

Burton, Rohrbacher & Mich

very credible witness

spent alot of time when
FBI ^A tried to convince him he was wrong

FBI agents badgered CW to change his testimony.

Fiske probe ^{new} ~~not~~ much of a probe at all.
glossed over CW's contention that he saw F. body w/ a gun.

CW
