## REGISTERS OF LIGHTHOUSE KEEPERS, 1845-1912

### Introduction

The 19 volumes of registers are filmed in geographic order by 5 regions: New England; New York through Virginia; North Carolina through Texas; Great Lakes; and West Coast, Alaska, and Hawaii.

The registers were compiled chronologically. Their content varies; earlier registers include all or several geographic regions. Indexes to each of the volumes are alphabetical by surname of keeper and/or name of lighthouse and were filmed in their entirety each time a volume or part of a volume was filmed. The indexes will, therefore, include many names of keepers and lighthouses that are not found on a particular roll of film.

Reference maps from 1889 showing the lighthouse [district] pertinent to each region have been filmed at the beginning of each roll.
