Re: ROBERT EDWARD BYRNE, Denver, Colorado.

Enclosed for Little Rock are two copies of Denver teletype to Director and Memphis dated 5/24/68, which summarizes interview with Mrs. HOMER LANE BIGELOW, Denver, Colorado.

ROBERT EDWARD BYRNE located and interviewed 5/28/68. Categorically denies any involvement in or knowledge of MARTIN LUTHER KING's assassination. He claims Mrs. HOMER LANE BIGELOW is mentally a "very sick person," who was merely trying to keep him from marrying GENEVIEVE BYRNE. He stated that at least most of the events described by Mrs. BIGELOW did take place, such as their trip to Acapulco, Mexico, his trip to Lubbock, Texas, and their visit with JAMES HEYER, but she added to what took place when she claimed he indicated he was involved in a conspiracy to kill KING.

He said the trip to Acapulco was for pleasure only, but, naturally, he and HAL HALE discussed oil deals since they are associates in several oil ventures. He recalled a conversation with Mrs. BIGELOW in Acapulco wherein he mentioned in vague terms an oil deal in Kansas he was working on with HALE, but no connection with a criminal syndicate was even implied. He stated that he avoided talking business with her because she fancied herself as an investor and a business woman, which she was not, and he did not want her becoming involved in any of his dealings. He recalled that she again brought up the subject of marriage during this conversation and that if he did not marry her, her daughter, JENNIFER, would be hurt. He said he told her that he did not want to hurt JENNIFER, but that he was not going to marry her.

He stated that after she learned he was going to marry GENEVIEVE, she came over to his apartment and threatened to kill him and herself rather than let him marry GENEVIEVE. She left three of the pictures taken in Acapulco, which were taken of him, her and a sailfish he caught. He stated these are the only three pictures of the trip that he has. He recalled that only two shots of the yacht, Ultima II, were taken; one a full shot of the vessel, and the other a close-up of a red speed boat tied up to it. Neither shot contained any crewmen. It is noted that these two shots were among the pictures Mrs. BIGELOW showed interviewing Agents on 5/24/68.

BYRNE stated RAY RYAN is in oil business and he worked in affiliation with him and HAL HALE when they (RYAN and HALE) were partners in New Drilling Company, Denver, Colorado, a few years ago. He understood from HALE, RYAN was in Acapulco at the time they were and was supposed to have arrived aboard the yacht. He said he had no arrangement to identify himself to any crewman or to RYAN on the yacht. He stated neither RYAN nor HALE involved in any criminal activity so far as he knows.

Little Rock, at Ashdown, Arkansas, is requested to interview Mr. and Mrs. LOUIS FAWCETT, banker, to determine if activities of the group or any of its members while in Acapulco had anything to do with planning the death of KING.

At Tulsa, Oklahoma

ROEHM WEST, Attorney, Enterprise Building, identified his client, who has been in contact with EDGAR EUGENE BRADLEY, North Hollywood, California, as being BETTY HELM, 3 Woodward Boulevard, Tulsa, Oklahoma.

BETTY HELM, 3 Woodward Boulevard, who requested her identity be concealed, advised that she has been acquainted with EDGAR EUGENE BRADLEY since 1937. In November, 1962, BRADLEY visited her in Tulsa and left, presumably to go to his residence in California. BRADLEY was with HELM on November 19, and 20, 1962. He left her residence in the early morning hours of the 20th. Since BRADLEY became involved in the GARRISON investigation at New Orleans, he has been trying to get HELM to furnish him with an affidavit concerning his whereabouts during November, 1962. HELM has declined to furnish such an affidavit.

She said she received telephone calls from BRADLEY on May 2, and May 19, 1968. She presumed these telephone calls were long distance from his residence at North Hollywood, California. In one of the calls he mentioned that his telephone bill was high and he would rather not make so many telephone calls pertaining to the affidavit he has been trying to obtain. HELM stated she has simply referred BRADLEY to her attorney. She said she had no information that BRADLEY has been in the Tulsa area during the recent past and she felt that if he had been in the Tulsa area he undoubtedly would have called her.

HELM further stated that she has never had any reason to think that BRADLEY would physically harm anyone. She had never known him to be engaged in any plot of any kind. Although BRADLEY is a radical anti-Communist, she has no information concerning his views on racial matters. HELM stated that when in Tulsa, BRADLEY normally stayed at the Adams Hotel. 157-203-565

WANDA BALLARD, Clerk, Adams Hotel, advised that a search of her records failed to reflect that BRADLEY was a guest at any time during May, 1968.

SA PAUL E. BUSH

Rememo of SA THOMAS H. WISEMAN, 5/23/68, concerning information furnished on that date by Mrs. HOMER LANE BIGALOW, 4331 East Mexico, Denver, Colorado.

On 5/23/68, CSDN 239-C was contacted for the purpose of identifying BOB BYRNE, and HAL HALE and to determine the extent of their association with each other and with Denver attorney JAMES HEYER, who is probably identical with JAMES HYER mentioned in referenced memorandum.

The source related that HAL HALE, for a period of eight or ten years, operated as an oil drilling contractor in the Denver area, closely associated with JERRY RYAN, former operator of the New Drilling Company, now defunct. He stated that RYAN now operates an oil drilling and exploration company in the Denver Club Building, known as Jerry Ryan and Company.

Informant stated that after New Drilling went out of business HAL HALE went to the State of Ohio where he was interested in drilling operations. This was about 2½ years ago and the informant has not been in touch with him since that time.

Also associated with RYAN and HAL HALE in Denver in connection with oil promotion operations was BOB BYRNE who has been out of touch with the informant for the past 2 years. BYRNE was formerly married to LYNN McKNIGHT, described by the source as a "prostitute." They had a residence in the Applewood Mesa area and it is the informant's understanding that she is now drawing payments from the divorce settlement from BYRNE. He stated, however, that it is possible that she might have remarried within the last year.

Informant described BYRNE as 42 to 43 years of age, 6'5", dark complected, black hair, medium build, very handsome appearance, suave and educated manner, well-dressed, heavy drinker. He stated that BYRNE, when sober,

is very quiet and does not appear to have any violent propensities, but when drunk becomes wild and boisterous. Some six years ago BYRNE got drunk and started a fight at a party in the Littleton, Colorado, area and had to be subdued by the police. Source stated that he was subsequently fined for drunk and disturbance, in Littleton, and that there should be a photograph of him at the Littleton Sheriff's Office or Police Department. So far as he knows BYRNE still resides in the Denver area.

Both BYRNE and HALE would have been acquainted with JAMES W. HEYER, a former Assistant U. S. Attorney in the District of Colorado, who is a well-known Denver attorney, with offices in the Denver U. S. National Bank center. The source reported that HEYER in recent years has had the reputation of being a drunk and a woman chaser, and pointed out that HEYER was recently jailed by the Denver Police Department after becoming involved in altercation with the police when he went to visit a client at the Denver City Jail.

He stated that HAL HALE is 45 to 50 years of age, 6'2" tall, 250 pounds, hair dark, receding at temples, dark complected, muscular build, heavy drinker and woman chaser, usually wears casual clothing and is considered among oil men to be a high-powered promoter, who could be expected to be in touch with persons with money in connection with oil propositions.

Since informant had had no recent contact with BYRNE or HALE, he telephoned JERRY RYAN's office for the purpose of making casual inquiry as to their whereabouts and was informed by RYAN's secretary that RYAN is out of town and will not return until next week.

He stated that if he can be of service in this matter in attempting to locate BYRNE and HALE when RYAN returns to Denver he will be glad to do so and feels that he can make this contact without arousing RYAN's suspicions. He pointed out, however, that if the FBI made a direct contact with RYAN there is no doubt in his mind that RYAN would immediately notify BYRNE and HALE that the FBI was interested in them.

DATE: 5/23/68

FROM : SA PAUL E. BUSH

SUBJECT: MURKIN

Rememo of SA THOMAS H. WISEMAN, 5/23/68, concerning information furnished on that date by Mrs. HOMER LANE BIGALOW, 4331 East Mexico, Denver, Colorado.

On 5/23/68, CSDN 239-0 was contacted for the purpose of identifying BOB BYRNE and HAL HALE and to determine the extent of their association with each other and with Denver attorney JAMES HEYER, who is probably identical with JAMES HYER mentioned in referenced memorandum.

The source related that HAL HALE, for a period of eight or ten years, operated as an oil drilling contractor in the Denver area, closely associated with JERRY RYAN, former operator of the New Drilling Company, now defunct. He stated that RYAN now operates an oil drilling and exploration company in the Denver Club Building, known as Jerry Ryan and Company.

Informant stated that after New Drilling went out of business HAL HALE went to the State of Ohio where he was interested in drilling operations. This was about 2½ years ago and the informant has not been in touch with him since that time.

Also associated with RYAN and HAL HALE in Denver in connection with oil promotion operations was BOB BYRNE who has been out of touch with the informant for the past 2 years. BYRNE was formerly married to LYN McKNIGHT, described by the source as a "prostitute." They had a residence in the Applewood Mesa area and it is the informant's understanding that she is now drawing payments from the divorce settlement from BYRNE. He stated, however, that it is possible that she might have remarried within the last year.

Informant described BYRNE as 42 to 43 years of age, 6'5", dark complected, black hair, medium build, very handsome appearance, suave and educated manner, well-dressed, heavy drinker. He stated that BYRNE, when sober,

is very quiet and does not appear to have any violent propensities, but when drunk becomes wild and boisterous. Some six years ago BYRNE got drunk and started a fight at a party in the Littleton, Colorado, area and had to be subdued by the police. Source stated that he was subsequently fined for drunk and disturbance, in Littleton, and that there should be a photograph of him at the Littleton Sheriff's Office or Police Department. RE: CHECK OF DRIVER'S LICENSE APPLICATIONS,  
STATE OF COLORADO

This is to record that on 5/23-24/68, the applications of all individuals applying for operator's or chauffeur's licenses in the State of Colorado subsequent to 4/1/68, were examined by Agents of the Denver Office at the Colorado Department of Motor Vehicles.

Approximately 50,000 such applications were examined.

Where possible, elimination was made on basis of descriptive data and/or previous licenses surrendered which were obtained prior to time subject escaped from custody on 4/23/67. Wherever there appeared a possibility that subject might be identical with one of the licensees, the fingerprint impression of the applicant's right index finger was compared with the fingerprints of subject.

Approximately 500 such examinations of fingerprints were made by SA WALLACE M. GLOVER, SA DONALD L. SIEFERS, and SA ROY I. MISCHKE, with negative results.

The fingerprint impressions appearing on application filed by FRANCIS SYLVESTER STULL, JR., in Grand Junction, Colorado, in February, 1968, was two blurred for comparison. The application reflects STULL as white male, DOB [redacted] 5'10", blond hair, blue eyes, employed by Corder Distributing Company, and residing at 528 White Avenue in Grand Junction. This information was immediately furnished to SA RAY M. HICKMAN at Grand Junction on 5/24/68, and he was requested to contact STULL and determine if he is possibly identical with subject.
