In order to cover the possibility that subject may have died since commission of the crime, the U. S. Census Bureau and Department of Health, Education and Welfare were contacted and they advised that no central records of unidentified deceased are maintained by those agencies. It was suggested that each state may maintain such a record in their Bureau of Vital Statistics or similar agency.

There is no known Federal law requiring the maintenance of such information; and it is possible that if any record of unidentified dead is maintained, it would only be maintained at local police departments, morgues, medical facilities, or the like.

Each office covering state capitals should check to ascertain if such records are maintained, and if so, should check records for the period from 4-5-68, to date, for any information which might possibly identify subject Ray with unidentified deceased person over that period.

If there is no central record repository maintained in the various states or nationally in the case of Mexico and Canada, you should, in connection with your contacts with law enforcement agencies on this case or other Bureau matters, make appropriate inquiries relative to

Re Albuquerque, Denver, Los Angeles and Phoenix teletypes 5/4/68; El Paso airtel 5/3/68; and FBI Laboratory Reports 5/10 and 5/13/68.

Enclosed for the Director and Memphis is one copy of referenced Albuquerque teletype for each inasmuch as teletype did not include Director and Memphis.

One copy of this letter is being furnished the other offices due to their investigative interest in CARL RAY.

On 5/7/68, First Class Cabin Stewardess CATHERINE HINES, aboard Frontier Airlines Flight 785 F, 4/27/68, on flight from Albuquerque to Phoenix, and Tourist Cabin Stewardess Miss J. JACKSON, aboard the same flight, advised SA BOYD D. ADSIT that they recall no one by the name of CARL RAY being aboard that flight and neither recognized any picture of JAMES EARL RAY as being that of any person aboard the flight.

On 5/4 and 5/5/68, all hotels in Denver and all motels in vicinity Stapleton International Airport were checked for reservation by CARL RAY with negative results.

In view of the differences between the descriptions given of CARL RAY by the various airlines employees and the description of JAMES EARL RAY, and in view of the information set forth in referenced FBI Laboratory reports, Denver does not contemplate setting forth leads to have other persons aboard Frontier Airlines Flight 785, Albuquerque to Phoenix, 4/27/68, interviewed concerning CARL RAY unless advised to the contrary by the office of origin.

| PCI advised he knew of no houses of prostitution in EP. States there are too many free dates that hang around the Bars. Most cab drivers that have a fare looking for a prostitute take them to Juarez, Mex. where there is open prostitution. States as far as he knows none of the Yellow Cab drivers are taking prostitutes to Fort Bliss. States Ft Bliss is an open cab stand for all cabs. Personnally most of the time when he gets a fare for Ft Bliss he has to deadhead back to downtown EP which is his territory. Will advise if he learns of any stolen property being taken from Ft Bliss. | | |
