He gave his address as 64 Ewing Road, McKees Rocks, Pa., formerly of RD #2, Duncan, Okla., and that he had been employed by D. R. STOWFELL, Masonry. This man confided to his dance instructor, a Miss STERLING, that he had spent time in jail for assault and battery, and that he had killed his wife's lover. The following investigation was conducted by
SA RICHARD A. JONES:

On April 29, 1968, Sgt. CHARLES JEROME, Wheeling, W. Va., Police Department, requested a check on a 1968 Georgia License 6J3484, which he observed on a 1967 or 1968, royal blue, Chevrolet sedan parked for two or three days behind the Madison School on Maryland St.

A check with the West Virginia State Police revealed this vehicle registered to MALORA PARKS, 1021 Azela Ave., Augusta, Georgia. No stolen report.

The following investigation was conducted by
SA DEAN M. HOWEN at Beckley, W. Va.:

On April 24, 1968, VIVIAN RIFFE, radio operator, West Virginia State Police, stated that on April 9, 1968, a teletype message was sent at 6:21 PM by Radio Operator GARNET MURPHY for the Beckley Police Department, to State Police, Atlanta, Georgia, to check 1967 Georgia registrations 66J954 and 4-06033 or 40-6033. The same evening Georgia State Police, Atlanta, replied that 1967 Georgia License 66J954 was registered to J. J. THOMPSON, Midland Ave., Winder, Ga., for a 1959 Chevrolet convertible, Vehicle Identification No. E59B226920, no stolen report; that there were no registrations under the numbers 4-06033 or 40-6033. This message came in at 10:22 PM and was given to Beckley Police Department, no name recorded.

Miss RIFFE also stated that on April 19, 1968, a teletype message was sent at 12:51 PM by Radio Operator GARNET MURPHY to State Police, Atlanta, Ga., to check 1967 Georgia License 4D6033. At 10:35 PM, April 19, 1968, Georgia State Police, Atlanta, Ga., replied that 1967 Georgia License 4-D-6033 is registered to EDWARD H. CUMMINGS, 152 Kessler Dr., Ft. Benning, Ga., on a 1964 Volkswagen, Vehicle Identification No. 0570249, no stolen report.

On April 24, 1968, Mrs. GARNET MURPHY, Radio Operator, West Virginia State Police, advised that Georgia license check information was requested by Beckley Police Dept., on April 9, 1968, and she did not know the purpose of this data.

Mrs. MURPHY stated that the Georgia license check on April 9, 1968, was sent upon the request of the bookkeeper at the West Virginia Turnpike Service Station, an Esso Station, Beckley Exit, as incomplete data had been received for a gasoline credit purchase some time earlier and the data was needed for proper billing.

Sgt. THOMAS DURRETT, Detective Bureau, Beckley Police Dept., advised he had no knowledge of any request for Georgia license data on or about April 9, 1968.

Sgt. G. T. STARR, Beckley Police Dept., advised he was on duty and in charge the evening of April 9, 1968, and he had no knowledge of any Georgia license data requested that date. He said he was at the Police Department at and around 6 PM on April 9, 1968, and the only other persons there were a new patrolman, in his constant company, and NELSON COOK, clerk, who was answering the telephone calls. Sgt. STARR stated that as a result of numerous unsolved house burglaries, the citizens had been requested to be alert for strange vehicles in their neighborhoods and to notify the police department of license numbers observed, and it is possible that some citizen had called in the two Georgia license numbers on April 9, 1968. He added that NELSON COOK is lax in keeping a complete log of telephone and radio calls and may have failed to record the data received. He said that COOK was on vacation and unavailable.

On May 2, 1968, NELSON COOK, communications clerk, Beckley Police Department, advised that he was working the evening of April 9, 1968, but had no knowledge of any Georgia license checks. He said it was possible that some off-duty patrolman had requested the license checks from his home.

On May 3, 1968, Chief of Police WILLIAM A. TEUBERT, Sgt. G. T. STARR, and Sgt. THOMAS DURRETT, Beckley Police Department, advised they could develop no information to identify anyone from that department who had requested Georgia license checks on April 9, 1968.

FOR IMMEDIATE RELEASE:

Attorney General Ramsey Clark today announced that JAMES EARL RAY, an escaped convict being sought in connection with the fatal shooting of the Reverend Doctor MARTIN LUTHER KING, JR., in Memphis, Tennessee, on April 4, 1968, has been located in London, England.

FBI Director JOHN EDGAR HOOVER said that RAY, who has used the name of ERIC STARVO GALT and other alias, was detained by officers of New Scotland Yard at 11:15 a.m. London time this morning. RAY was traveling under the name of RAMON GEORGE SNEYD and had two Canadian passports in that name in his possession. One passport had been issued at Ottawa on April 24, 1968, and the other had been issued May 16, 1968, at Lisbon, Portugal, by the Canadian Embassy in that city. Mr. HOOVER advised that RAY was located based on information furnished by the FBI to New Scotland Yard.

At the time of his detention, RAY was passing through British Immigration Offices and was planning to take a flight to Brussels, Belgium.

Mr. HOOVER said that RAY is now being held at London Cannon Row Police Station under maximum security conditions.

Mr. HOOVER further advised that RAY was armed with a fully-loaded pistol which was found in his hip pocket. He was wearing glasses and was dressed in a light-colored raincoat, sports jacket, and gray trousers.

Director HOOVER advised that RAY's arrest was the direct result of intensive investigation by the FBI pursued in all 50 states, as well as in Canada, Mexico, Portugal, England, and other countries. In particular, Mr. HOOVER singled out the outstanding cooperation received from the Royal Canadian Mounted Police and from England's New Scotland Yard.

Mr. HOOVER pointed out that RAY was detained in England based on his use of fraudulent documentation--a passport--and also on the fact he was carrying a concealed weapon.

A first degree murder indictment was returned by the Shelby County Grand Jury in Memphis, Tennessee, on May 7, 1968, charging RAY, and necessary extradition proceedings will be initiated shortly.

According to Mr. HOOVER, RAY was added to the FBI's list of Ten Most Wanted Fugitives on April 20, 1968. Mr. HOOVER stated that the 40-year-old RAY is an escapee from the Missouri State Penitentiary at Jefferson City, Missouri. He was received at the institution on March 17, 1960, to serve a 20-year-sentence following conviction in St. Louis for Armed Robbery and for operating a motor vehicle without permission of the owner. In April 1967 he was reported missing from the State Penitentiary; and on July 20, 1967, based on information indicating RAY had fled from Missouri, an FBI complaint was filed at Jefferson City charging him with Unlawful Flight to Avoid Confinement for Armed Robbery.

On April 17, 1968, the FBI filed a complaint at Birmingham, Alabama, charging him under the name of ERIC STARVO GALT with conspiring to violate the civil rights of Dr. KING in violation of Title 18, Section 241 of the United States Code. The FBI complaint charges that: "On or about March 29, 1968, at Birmingham, Alabama...ERIC STARVO GALT and an individual whom he alleged to be his brother entered into a conspiracy which continued until on or about April 5, 1968, to injure, oppress, threaten or

intimidate MARTIN LUTHER KING, JR....in the free exercise or enjoyment of his right secured to him by the Constitution or laws of the United States; namely, the right to free travel from state to state. In furtherance of this conspiracy, ERIC STARVO GALT did, on or about March 30, 1968, purchase a rifle at Birmingham, Alabama..."

Immediately after the fatal shooting, a 30.06 rifle with a telescopic site was found near a rooming house on South Main Street in Memphis which overlooks the Lorraine Hotel and Motel where Dr. KING was staying. Mr. HOOVER said FBI Agents determined that the rifle had been purchased on March 30, 1968, from a gun dealer in Birmingham, and that the telescopic site was also purchased from this dealer.

On April 19, 1968, Mr. HOOVER announced that a systematic and exhaustive search of latent fingerprints uncovered in the Dr. KING case against the fingerprints of over 53,000 persons for whom wanted notices had been posted in the files of the FBI's Identification Division led to the determination that GALT and RAY were identical. FBI Agents also identified him as the owner of an abandoned

1966 white Mustang bearing Alabama license plates which was located in Atlanta, Georgia, on April 11, 1968. As ERIC GALT, he had purchased the Mustang from a private citizen in Birmingham on August 30, 1967. From that date until it was abandoned in early April 1968, the car was driven more than 19,000 miles. Mr. HOOVER said that the fugitive's travels in the Mustang included trips to Los Angeles, New Orleans, Birmingham, Memphis, and Atlanta, as well as Mexico. He visited Mexico in October and November 1967. He made a trip to Atlanta earlier in 1967 before purchasing the Mustang.

According to the FBI Director, while in Montreal, Canada, in the summer of 1967, RAY enrolled as ERIC GALT for a correspondence course in locksmithing offered by a school in New Jersey. He also took a course in bartending in Los Angeles early this year, graduating on March 2, 1968. In addition, he also took dance lessons in Long Beach, California, from December 1967 to February 1968.

Mr. HOOVER said that a summary of the FBI's investigation in this case, together with the findings of the FBI Laboratory and the results of fingerprint examinations by the Identification Division, will be made available to Tennessee authorities.

As the Bureau is aware, early in the course of this investigation, it was necessary for the Minneapolis Division to interview a WILLIAM JOSEPH LEHMEYER of 3503 Fairlawn Drive, Minnetonka, Minnesota, regarding his activity in the Birmingham and Memphis areas during the pertinent periods of this investigation. The results were set forth in Minneapolis teletype to Bureau, Birmingham and Memphis on 4/9/68. During the course of the interview with LEHMEYER, he furnished information regarding his activity in Birmingham, Alabama, on 3/27/68. He had indicated that he spent the entire day in the company of a Mr. RICHARD EVANS, the local Chairman for the Brotherhood of Railway Firemen. To confirm this, the Birmingham Division was subsequently requested to contact Mr. EVANS.

LEHMEYER, who is employed as an investigator for the law firm of DeParq, Anderson & Pearl explained at that time that his employer has numerous clients throughout the southern part of the United States, and requested that any contacts made by this Bureau be conducted in a most circumspect manner in order to avoid disrupting the relationship that existed between the firm and its clients. He stated that indiscreet contacts could be embarrassing for the firm. He was assured at that time that the FBI handled all of its responsibilities in a mature, businesslike manner, and that there should be no cause whatsoever for any alarm on the part of he or his employer.

On Thursday, June 6, 1968, while leaving a local restaurant in downtown Minneapolis, LEHMEYER stopped me and that that he was "g--d--- unhappy over the manner in which the Birmingham FBI agents conducted their interview with RICHARD EVANS". He claimed that EVANS was pulled off his job with little or no explanation, harassed, and "pushed around" by the Birmingham Agents. I told Mr. LEHMEYER that I found this a little hard to believe because first of all, the circumstances surrounding the interview with EVANS most certainly did not warrant any such action, and secondly that in any event, the FBI did not conduct itself in such a manner. I inquired as to the source of his information, and he stated that it was his client, RICHARD EVANS, in Birmingham who had complained. I stated that there were always two sides to

to every story and that I felt sure that he must have been misinformed by EVANS because I knew that he, EVANS, had been contacted in nothing other than a mature, businesslike manner. He then stated that it was obvious to him that I considered him a "liar", and that possibly the best thing for him to do was for him to write to the Washington headquarters of the FBI and complain. I told Mr. LEHMEYER that such action was entirely within his prerogative.

Upon returning to the office, I fully intended to contact both the Bureau and Birmingham regarding this matter, but before I had a chance, LEHMEYER contacted me telephonically to state that possibly his source had been misinformed or misunderstood RICHARD EVANS. I certainly pointed out to LEHMEYER that he had stated unequivocally just a few minutes before that EVANS had made the complaint to him, LEHMEYER, directly and not that the information came from any third party. He explained that apparently I must have misunderstood him, and that in any event as far as he was concerned he considered the matter a closed issue and with that hung up.

I immediately recontacted Mr. LEHMEYER and made sure that there was no doubt in his mind regarding the true facts surrounding this alleged incident, and although quite reluctantly, he did admit that it was he who must have misunderstood or have been misinformed.

In view of the outcome, it is not felt that this incident is worthy of any further action, and is being reported merely as a matter of record.
