

17 April 46

Dear Sir:

I am writing to furnish information requested by you on the 16th of April 46 concerning Mr. Martin Luther King.

I have a friend by the name of Mr. Lohmeyer who is operating a restaurant in Japan, Tokyo, of German descent and may have relatives in the U.S. and may be the one you are looking for in association with Mr. King.

Mr. Lohmeyer is passed away but may be having relatives in the U.S. of the age of 40-55 years of age.

It would be necessary

to contact the relatives
in Japan Tokyo in
order to find the
relatives address
in the U.S.

You will have no
trouble in locating
the people in Japan
as their restaurant is
well known in Tokyo.

Their restaurant name
is Lohmeyers restaurant
and three stories high.

Prior to World War 2 Lohmeyers
restaurant was used
as a spy meeting place
but Mr. Lohmeyer was
not involved in this.

This may not be the
information you are
looking for. But I am
free to ask if there is

any additional help
I may be.

yours truly,
H.P. Stephan
3171 Elemina
Avenue,
Sacramento,
California.

Re JAMES EARL RAY.

On 4/19/68, WFO initiated check files of the Passport Office, United States Department of State concerning JAMES EARL RAY; nothing identifiable with RAY was located. A further check is underway at the Washington National Record Center at Suitland, Maryland, in retired passport files and anything of interest located will be reported.

In order to cover the possibility that subject RAY may have recently been issued a passport and the record thereof had not been received in Washington, Mr. EDWARD STOKEN, Passport Office, sent a teletype message to all passport agencies. The Passport Office in Honolulu was checked telephonically with negative results. On 4/19/68, Mr. ROBERT D. JOHNSON, Director, Passport Office, telephonically advised SA KENNETH HASER that all passport agencies had teletyped Washington 1968 that their records are negative concerning RAY.

4/12/68

Dear Sir:

As yet you have not located the killer of Martin Luther King, jr. The following may have no relationship to it what-so-ever; on the other hand, it may be a one in a million clue.

I have a neighbor who formerly was a tile salesman, headquarters, Alabama. While a salesman he travelled the U. S.. He is, in my opinion, an intense racist, has written frequently in the newspaper expressing his views, and his son in turn brought to another neighbor racist newspapers from Mississippi. When his son returned from service in Germany, he had praise for Hitler.

UPON RETIREMENT

The neighbor evidently began a floor-tile laying business two or three years ago, for a volks-type truck has frequently been at his house, cans debris indicate this, and very frequently, he receives packages via truck delivery. He leaves his home frequently and returns, frequently carrying packages into the house. I have heard the rumor that he obtained a rifle of special quality for his next door neighbor.

The man's son owns a white mustang Ford, and the last I knew, the son was working in Miami with an airline company.

As I said, typically a volks-type delivery truck comes to the house, and it has not been there for some time. In the two weeks beginning the Sundays of the 17th and the 24, there was an unusual flurry of activity around the house--across the street. A passenger car volkswagon appeared with young man, wife, and child and the rear apparently loaded with clothes. The young lady showed her face, and she may be a relative. The young man however during the several days he was here did not "show himself." Too, as I recall he had been at the house before, he or someone his age,--and again had not shown himself. As I recall, the Volks passenger car reappeared for a second time with the family and again loaded with clothing around the 19-23 of March. During this latter period a delivery truck--not the Volks, but an open one, appeared apparently loaded with square gallon or square five gallon cans. Nightly both the delivery truck and the volks backed into the neighbor's drive, the volks last 44-38861-1866

Sometime around the 24, the neighbor's two cars, the Volks passenger, the delivery truck, all disappeared. The enclosed Volks floor-tile truck did not show up during this period. My wife and I went to Atlanta to a conference this same week.

Anyway, this may have a bearing on the case or it may not. I know no more than this. If you feel it worthwhile I can give a name but I would rather not. The neighbor is my accross the street neighbor. Because we differ so strongly on our racial and political views we do not talk.

RE: GOODIE, FORD SALISMAN, JEFFERSON CITY, MISSOURI, ADVISED THAT

HE WAS A FORMER CHIEF AT THE MISSOURI STATE PENITENTIARY AND XERO

SUBJECT WELL. HE WAS SUBJECT'S BOSS FOR SIX YEARS. GOODIE STATED

RAY WAS A GOOD FRIEND OF AN INMATE BY THE NAME OF LINDA DOWDA. HE

STATED DOWDA HATED XERO. GOODIE SAID HE BELIEVED BOTH RAY AND

DOWDA WERE MIXED UP IN "PEEPLING CODE" IN THE PENITENTIARY, BUT HE

COULD NOT PICTURE IT. HE FURTHER STATED THAT SINCE DOWDA WAS A "FACIT",

HE MIGHT BE AN ACCOMPLICE OF RAY IN THE MURDER OF MARTIN LUTHER KING, JR.

FURTHER ADVISED HE KNEW RAY WANTED TO ESCAPE AND REFUSED TO TRANSPORT

HIM TO THE FARM BECAUSE OF THIS.

RECORDS MISSOURI STATE PENITENTIARY REVEALED THAT LEWIS RAYMOND

ABOWDA WAS RECEIVED MARCH TWELVE, SIXTY-FOUR, SERVED FIVE YEARS

ON CHARGE OF ROBBERY AND DISCHARGED FEBRUARY-THREE, SIXTY-SIX.

Dear Mr. Clark,

Betty Millner introduced her mother
I think as a Mrs. Gault. Don't think
she knows her son is a killer - She
said if my boy whent had it would
kill me. Both drawings look like Millners
son. The mexican drawing to much hair I
think its dad. face to rough looking - Boy looked
refined - jaw to heavy. nose a little to thick
not mean looking - hair line on other drawing
a little better - I'm not sure about color of eyes -
of course hair could have been dyed

Honorable Sir:

About 9:30 PM, on the night of the assassination of Dr. Martin Luther, Jr., I saw a white convertible 1967 "Wildcat" with a Clarke County Mississippi tag number 120-134. This car passed me on South Prentiss (in Jackson, Mississippi). We were both traveling South; this car turned West on Central Street, and so did I. The next turn was South on Eastview Street, after our turn on Eastview Street, this wildcat abruptly stopped and parked.

As soon as I passed, this car turned completely around and headed in the opposite direction.

This car may not be in any way connected with the crime that took place in Memphis 2½ to 3 hours earlier, but it was on my mind and it bothered my conscience.

If you think it will help in solving the case of the uncaught killer please check it out.

Sincerely,

EX-105

V. R. Collier

PS: Honorable Sir: Since sending you the original of the above letter, I have seen and examined the sketch (in the News paper) of the suspected killer. So let me please add this: The driver of the white convertible Wildcat was White male fully matured. In his quick turn of his head to get a look at who was following him, he shook loose the long hair that was covering a bald spot on the back part of his head. So I urge you to please check out this above described automobile.

Dear Sir,-

I just can't
quote the exact time but
this year while I was at
the National Maritime Union
Hall. A young man came
in the Hall at Seattle, Wash.
carrying a small bag. And
he asked about getting into
Union & naturally was broke.
I don't remember the date
but I do remember I cashed
a couple of checks Traveler
Checks for \$20. in a bank
there. And passed over \$30.00
to him. Also gave him a
an envelope with my
address on it. We had
dinner together. Later he
sent me a letter.
