Re: MARTIN LUTHER KING

On March 29, 1968, Maryland State Police, Trooper ROBERT A. THEODORE advised that on evening of March 27, at Howard County, Maryland, he arrested CARLOS LEE BILLINGS on local traffic charge. It was subsequently determined that BILLINGS, FBI Number 368744, was escapee local authorities for assault and battery from Gettysville, Pennsylvania, and was to be returned to Gettysville, March 30, 1968. Trooper THEODORE advised BILLINGS stated that while at South Carolina, he was in possession of a sub-machine gun and was approached by men who offered \$50,000 to assassinate MARTIN LUTHER KING.

On March 29, 1968, BILLINGS advised FBI Agents that he served in U. S. Army and U. S. Marine Corps (USMC) receiving a "mental" discharge from USMC. He stated, he was injured while in the U. S. Army, was treated in five U. S. Army Hospitals and since then and particularly since being injured while a passenger in Greyhound bus accident February 2, 1965, he has suffered hallucinations and amnesia and cannot understand which of his memories are fact or fantasy. He related that approximately February 20, 1965 at Columbia, South Carolina, he traded a 1965 Buick to "LUCIAN" BAKER of Polton (phonetic), South Carolina and received \$100 and a Browning sub-machine gun together with a clip and 40 rounds of ammunition. Approximately March 12, 1965 at Columbia, South Carolina, he met JERRY BAKER, home address c/o IRVING BAKER, Pine Island, Fort Morris, Florida and through BAKER met JAMES (last name unknown) and EDIE (last name unknown) who were in a Lincoln Continental bearing unknown Georgia tag. JAMES and EDIE after determining that he was opposed to the racial demonstrations in the south offered BAKER and BILLINGS \$200 each if they would accompany them to Georgia that night and \$50,000 if they could assassinate MARTIN LUTHER KING. BILLINGS stated no details of the plot were discussed

but it was stated KING would be at Southern Christian Leadership Conference at Atlanta, April 9, 1965. BILLINGS stated he told these men he would think the offer over but that night he sold the machine gun to JERRY BARNER for \$390 and left town and has no information re BARNER's subsequent activities.

BILLINGS to support his story of possession of machine gun stated that approximately March 4, 1965, BILLINGS while driving a car was stopped by a Sheriff or Constable near Sanford, North Carolina and pointed the machine gun at this officer forcing him to drop his gun and fled. He states JUNE TAYLOR at "Lounges" Bar, Lord Street, Columbia, South Carolina may be able to further identify JAMES (last name unknown) and REEVE (last name unknown).

On March 31, 1965, JOSEPH SCHLETT, Deputy, United States Marshal, Baltimore, Maryland, advised that on that date CARLOS LEE BILLINGS had been placed in the custody of THOMAS G. FRANK, County Detective District Attorney's Office, Chester County, West Chester, Pennsylvania and transported to West Chester, Pennsylvania.

ALLEGED PLOT TO ASSASSINATE
MARTIN LUTHER KING

On March 27, 1965, CARLOS LEE BILLINGS was arrested on a local traffic charge in Howard County, Maryland, by the Maryland State Police (MSP). It was subsequently determined that BILLINGS was a fugitive and was wanted in the State of Pennsylvania where he had escaped from the custody of the Sheriff's Office, Chester County, prior to appearing in court on assault and battery charges.

While in custody of the MSP, BILLINGS was interviewed by Special Agents of the Federal Bureau of Investigation (FBI) and advised as follows:

On approximately March 12, 1965, at Columbia, South Carolina, BILLINGS met with JERRY BARBER, JAMES (last name unknown) and EDDIE (last name unknown). After determining that BILLINGS was opposed to the racial demonstrations in the South, JAMES and EDDIE offered BILLINGS and BARBER \$400 each if they would accompany them to Georgia and \$50,000 additional if they would assassinate MARTIN LUTHER KING.

During the above interview, BILLINGS claimed to have received "mental" discharge from the United States Marine Corps; to have recently been injured in a Greyhound Bus accident; and to suffer hallucinations and amnesia after which he cannot understand which of his memories are fact and which are fantasy.

Philadelphia files indicate CARLOS LEE BILLINGS was born [redacted] at Pennington, Virginia; he is presently

married and his wife OMA and family reside in Toughkenamon (Chester County), Pa. BILLINGS has been sought and arrested by the FBI on numerous occasions for interstate transportation of stolen property, interstate transportation of stolen motor vehicle, theft from interstate shipment, and desertion. BILLINGS was arrested on June 28, 1954, at Toughkenamon, Pa., as a deserter and it was subsequently determined through fingerprint comparison that he had fraudulently enlisted in the Army as CARL E. ROBBINS, JR. He was interviewed at this time and he advised he was unable to recall the fraudulent enlistment and/or the subsequent desertion. He claimed at the time to have been under the care of Dr. LEE PORTER, Wayne, Pa., a psychiatrist, since 1950 and to have suffered severe epileptic "fits" prior to and during that time. During this interview he exhibited U. S. Army discharge dated January 28, 1952, from Camp Pickett, Virginia; U. S. Marine Corps discharge dated May 9, 1953, from Parris Island, South Carolina; and another U. S. Army discharge dated March 11, 1949, place of discharge not indicated. BILLINGS claimed that all the aforementioned discharges were for medical reasons in view of his mental condition.

Philadelphia files reflect numerous references to the fact that BILLINGS is a "mental case" and that he has been "an epileptic" since age five. However, the only concrete medical report available at Philadelphia indicates that on approximately October 13, 1953, BILLINGS was committed by his father, PAUL B. BILLINGS, to Fairmount Farms, Ridge Avenue, Philadelphia, a private mental sanitarium.

On October 23, 1953, Dr. LEE K. PORTER, psychiatrist who had treated BILLINGS in the past and who was then his physician, advised Agents of the FBI that BILLINGS suffers from a petite mal form of epilepsy known as "fugue state." PORTER said BILLINGS' condition was precipitated by the taking of alcohol, after which he undergoes periods of confusion and amnesia as long as 30 days, during which time he commits anti-social acts resulting from dual personality.

PORTER advised that when BILLINGS has a seizure, he can be led to anything short of violence. PORTER stated he felt subject's condition is genuine since it would be difficult

ALLEGED PLOT TO ASSASSINATE
MARTIN LUTHER KING

to mimic the symptoms as well as mimic the proper reaction to treatment for this mental condition. PORTER advised subject's father paid \$115.00 per week while BILLINGS was being treated at Fairmount Farms; however, he did not think subject's father was shielding BILLINGS since he asked to have his son permanently placed in a State mental institution. The father advised Dr. PORTER that he was tired of making restitution for the many crimes committed by his son. At the time of BILLINGS' last visit to Dr. PORTER on January 11, 1957, he advised that BILLINGS was in a "fair state of mental repair"; however, BILLINGS was in need of "constant psychiatric attention."

Mr. WILLIAM KLAPP, Records Division, Chester County Farms Prison, Pocopson, Pa., in which institution BILLINGS was incarcerated several times, advised on March 30, 1965, that it was generally known that CARLOS BILLINGS was a "mental case"; however, BILLINGS' file at the prison failed to reflect any report of mental examination.

DATE: 4/25/68

FROM : IC LEONARD L. AYRES

SUBJECT: MURKIN

Re SAC memo to All Agents, # 68-44, dated 4/23/68.

A check with the Leavenworth Police Department and Leavenworth County Sheriff's Office, both Leavenworth, Kansas, on 4/24/68, failed to develop information pertaining to suspect JAMES EARL RAY.

DON ROBERTS, Deputy, LVSO, advised that to his knowledge the SO does not have any unsolved burglaries in which latent prints were obtained. He knows of no unsolved Armed Robberies in which UNSUB (s) would meet description of RAY.

Capt. WILLIAM P. JOHNSON, LVPD, advised the PD has no unsolved Armed Robberies in which UNSUB (s) would meet description of RAY. JOHNSTON advised the PD does have some unsolved burglaries, however, very few latent prints are available. JOHNSTON advised the PD does not have a qualified fingerprint examiner.

It is to be noted both the Leavenworth PD and SO have had a complete turnover in personnel since 4/1/67; Many of the new personnel are untrained and records of both departments are inadequate.

RE: MURKIN

Re Atlanta airtel to Director, 4/22/68.

Referenced communication advised that subject JAMES EARLY RAY, aka, was last known to be in Atlanta, Georgia, area on 4/5/68. Intensive investigation by the Atlanta Office to date has not established mode of transportation utilized by RAY after 4/5/68, through checks with transportation companies, car rental agencies, etc.

All offices are requested to check car recoveries in their respective divisions of cars stolen from the State of Georgia subsequent to 4/4/68 and consider same to have been possible mode of transportation for subject RAY. The same consideration should be given to any cars recovered in the near future that were stolen in the State of Georgia after 4/4/68. In instances where cars were stolen from Georgia and the transporter of same cannot otherwise be accounted for, investigation should be conducted to determine if RAY was person who may have stolen and transported same. This is being brought to attention of all Agents in the event any such stolen cars come to their attention during their investigations.
