Social Data: No change.

POST RELEASE PLANS

Britton will live with his wife, Beatrice and son Harry, at 1710 Alabama Avenue, Jasper, Alabama. He claims a lifetime experience in construction and hopes to re-enter that field in Alabama. He doesn't expect any difficulty in obtaining employment.

SUMMARY

This is a 47 year old married white man from Jasper, Alabama, serving 3 1/2 and 2 years concurrently for uttering a forged check; forgery. He has completed 5 months of his sentence and has 180 days jail time on this fourth incarceration. He denies the use of narcotics. Concerning the instant offense, the subject had been drinking and wrote the check in order to buy more liquor. Institutionally he has done well enough to merit parole consideration. Considering his past record, prognosis must be considered marginal at best.

FAMILY RELATIONS:

Subject states that he corresponds regularly with his mother and his brothers who live in Gordo, Alabama; however, he has not had no visits from them, since they live such a great distance away.

POST-RELEASE PLANS:

Subject states that after his release he plans to return to Gordo where he will live with his mother and his brother. He plans to work for the city at the water plant, or, possibly for a hardware store in Gordo.

SUMMARY:

In reviewing this man's past criminal history, it is noted that this is his first felony incarceration; however, he has been arrested several times in the past on drunk charges. Subject has some insight into his problem as far as drinking is concerned. He is presently attending the A.A. meetings here at this institution on Sunday afternoons. In view of ~~XXXXXX~~ subject's past criminal history and his present institutional adjustment, this interviewer feels that this man will probably be able to make a satisfactory adjustment on the outside, provided he is given close supervision and guidance and is able to obtain satisfactory employment. Subject has several handicaps, that of having only one eye, and he has a bad knee ~~and~~ and would be somewhat limited to his working ability. Prognosis on this man would seem to be good.

Subject states he will go to Gordo, Alabama, where he will live with his brother and aged mother, and will be employed by L.D. Housel, Sr. in a retail hardware store in Gordo, Alabama. It appears subject has made a satisfactory adjustment since being in the institution. His work and training reports rated him good to fair with some favorable comments. Subject does have a disability, it is noted by this interviewer, and receives a disability check from the Veteran's Administration each month. Subject is somewhat handicapped in the type of work he can do, due to this disability. Subject has had no conduct violations since being in the ~~institution~~ institution. In reviewing subject's past criminal history, it is noted that this is his first felony incarceration; however, he has been arrested on several occasions for drunkenness and vagrancy. 12-19-66	Transferred from Moberly to the Honor Camp		
12-21-66	Assigned to Park Detail		
12-31-66	Work and Training Report. Marked good in all areas.		
2-10-67	Interviewed for Pre-Parole Program Report		
	<u>Social Data:</u> No change in the Social Data:		
	<u>Institutional Adjustment:</u> Since the subject has been at the Honor Camp, he has adjusted very well. As soon as he arrived, he was assigned to a Park Detail. Mr. The Superintendent at the Park speaks very highly of his work. He has received no conduct violations. No information was received from Moberly as to his institutional adjustment.		
	<u>Family Relations:</u> He has no family ties. He corresponds with people connected with the Catholic Church.		
	<u>Post Release Plans:</u> He claims that the Kansas House, 903 Cole Street, St. Louis, Missouri, has offered to help him should he receive honor and employment papers.		
	<u>Summary:</u> Subject has served 7 years on a 20 year sentence for the charge of Robbery First Degree. It is his third felony conviction and incarceration. In the short time that he has been at the Honor Camp, he has made a very good institutional adjustment. He claims that he had almost one year of jail time for which he received no credit. His file would indicate that he has never been one to stay in any one place for any length of time. If he is to be given serious parole consideration at this time, it is being recommended that he be given at least a Psychological Evaluation if he has never had one. From an institutional point of view there is no objection to his receiving further parole consideration.		
3-23-67	Transferred to L-Hall to prepare for parole, 3-28-67.
