At Jefferson City, Missouri:

On April 23, 1968, Missouri State Penitentiary (MSP), records were checked for information re RUSSELL MARTIN. The following was obtained:

RUSSELL MARTIN, true name RUSSELL LEE MARTIN, was last received at the MSP, February 4, 1964, from Pemiscot County to serve a seven year sentence on charge of Fraudulent Check. He was assigned #08014. He was discharged on March 1, 1968.

MARTIN is described in this file as a white male, born [redacted] at Kennett, Missouri, 5'8", 164 pounds, gray hair, brown eyes, complexion ruddy, medium build, occupation - boiler room, scar on right temple; scar on abdomen, FBI No. 2 378 841, previous MSP numbers 65071 and 07471.

In 1963, when he was released from the MSP he married a woman named MAY ABBOTT and lived at Pascola, Missouri.

MARTIN violated two separate paroles and once escaped the Church Farm.

Conduct violations reflect that since 1961, he was in bed with another inmate, refusing a reasonable order, and other violations which necessitated the subject being placed in punitive segregation because he became involved in serious difficulty with other inmates, at which time he apparently related to the warden incriminating information against fellow inmates.

Docket No. 19148

Judge Charles E. Whittaker

UNITED STATES DISTRICT COURT

Kansas City, Missouri

April 26, 1955

WESTERN DISTRICT OF MISSOURI

PRESENTENCE REPORT

NAME	James Earl Ray	CITIZENSHIP	United States
ADDRESS	Transient	MARITAL STATUS	Single
AGE	27 years (Born)	NUMBER OF DEPENDENTS	None <i>3 girls</i>
SEX	Male	OFFENSE	Forgery of U. S. Postal Money Order
RACE	White		

I. OFFENSE:

This defendant on April 1, 1955 entered a plea of guilty to an Information in one count which charges that he on or about March 21, 1955 at Kansas City, Missouri knowingly, wilfully, unlawfully, and feloniously forged a material endorsement on a U. S. Post Office Department Money Order No. 7-42,239,597. On this same date a companion, Walter Terry Rife, entered a plea of guilty in Docket No. 19149 to an Information in one count charging him with the forgery on March 21, 1955 of postal money order No. 7-42,239,568. Imposition of sentence as to defendant and his companion was deferred and this presentence investigation was ordered.

The facts of the case are as follows: On March 7, 1955 the U. S. Post Office at Kellerville, Illinois was burglarized and sixty-six blank U. S. Postal Money Orders, Serial Nos. 7-42,239,535 to 7-42,239,600 inclusive, and the office validating stamp were stolen. On March 8, 1955 at Alton, Illinois an unsuccessful attempt was made to cash one of these stolen money orders. On March 21, 1955 one of the stolen money orders, order No. 7-42,239,597, was presented to Askin's Clothing Company, 1206 Grand Avenue, Kansas City, Missouri, by an unknown person in payment for a suit of clothes which was never picked up after alterations had been made. This money order, which was in the amount of \$75.00, was made payable to Willard J. McBride with the purchaser being shown as Vernon McBride. On this same date an unknown person presented stolen money order No. 7-42,239,568 to the Chaffee Office Machine Company, 1410 Grand Avenue, Kansas City, Missouri, in payment for a used portable Remington typewriter. This money order, too, was in the amount of \$75.00 payable to Willard J. McBride with the purchaser being shown as Vernon McBride. The manager of this firm, being suspicious of this transaction, directed an employee to follow the customer. The employee noted the model and make of the automobile entered by the customer and the license number of the car. Later when this money order was ascertained

to have been stolen a description of the customer and his automobile was given to post office inspectors who alerted the Missouri State Highway Patrol. A highway patrolman on March 23, 1955 at Hannibal, Missouri arrested in this automobile Walter Terry Rife, James Earl Ray, and a woman companion who has been released. Thirty-four of the money orders stolen from the Kellerville, Illinois Post Office were found hidden under the dash above the glove compartment in this automobile. All of them had been stamped with the validating stamp. Some were made out ready for cashing while others were not.

On March 24, 1955 Rife executed a statement for postal inspectors in which he admitted he had prepared, forged and uttered the postal money order presented to the Chaffee Office Supply Company in Kansas City. He admitted preparing the money order which was uttered on forged endorsement at Askin's Clothing Company, Kansas City, Missouri. He admitted that he had prepared the face of the money orders made ready for cashing and which were found in the automobile in which he was arrested. He admitted cashing numerous other money orders on forged endorsements in the states of Florida, Louisiana, Arkansas, and Missouri. He recalled unsuccessfully attempting to cash the money order at Alton, Illinois on March 8, 1955. In his statement he admits that he purchased in Quincy, Illinois the stolen money orders. They were sold to him by an unidentified man for \$20. On March 24, 1955 Ray, declining to execute statement for postal inspectors, did verbally state that he had participated with Rife in the cashing of the stolen money orders in the various states. He denied actually knowing that the money orders were stolen. However, he admittedly presumed that they were for he had been told by Rife that they had been purchased for \$20. He admitted that it was he who forged and uttered the money order presented at Askin's Clothing Company in Kansas City, Missouri. He stated that he purchased for \$1 in St. Louis, Missouri from a "Wino" named Willard J. McBride the identification he and Rife used in uttering the money orders.

The two money orders uttered by Rife and Ray in Kansas City, Missouri and as well the money order Rife attempted to utter in Alton, Illinois have been recovered. As noted previously thirty-four of the money orders were recovered in the automobile. On April 18, 1955 when reinterviewed by postal inspectors Rife and Ray gave particulars relating to the cashing of twenty-seven additional stolen money orders located by the Regional Accounting Office. The particulars are as set out in the following table:

599	Rife	Hot Springs, Ark.	Chas. Hearn(?)	Mar. 21	\$75

*Both Rife and Ray say no money orders cashed by them in banks.

Two of the stolen money orders have not yet been recovered. They, however, are accounted for as Ray has admitted cashing one of them at a luggage store in Kansas City, Kansas and Rife admits cashing one of them at Miami Beach, Florida.

It is pertinent to note that following the apprehension of Rife and Ray postal inspectors obtained from the room which they occupied a quantity of merchandise they had acquired by passing the stolen money orders. Found in their room were a typewriter, several pieces of luggage, a radio, a camera, a wristwatch, a considerable quantity of new wearing apparel for men, and other items. They have authorized the postal inspectors to return this merchandise to the stores or individuals from whom it was obtained.

X. RESOURCES AND LIABILITIES:

None.

XI. SUMMARY:

This defendant, white male, age 27, no dependents, has entered a plea of guilty to an Information in one count which charges that he at Kansas City, Missouri

on or about March 21, 1955 forged a stolen U. S. Postal Money Order. This money order was one of sixty-six such orders stolen in a burglary of the U. S. Post Office, Kellerville, Illinois on March 7, 1955. Defendant emphatically denies the burglary of the post office. He states that his companion in the instant offense, Walter T. Rife, whom he met at a bar in Quincy, Illinois, suggested that he accompany Rife and cash the money orders which Rife reportedly had purchased from an unknown person. Defendant states that he purchased for \$1 the identification he and Rife used in uttering these stolen orders in various states. When arrested for the instant offense defendant was in possession of thirty-four money orders which had been stolen from the Kellerville, Illinois Post Office. He admits the forgery and uttering of fourteen money orders. His companion, Rife, has admitted the forgery and uttering or attempting to utter eighteen of the stolen money orders.

Approximately one year before becoming involved in the instant offense defendant was released from service of a sentence of one to two years for armed robbery in the Illinois State Penitentiary. In August of 1954 he burglarized a cleaning establishment in East Alton, Illinois. Although he admittedly was charged with burglary he apparently has never been before the appropriate court and apparently is not presently wanted on this charge. In 1949 in Los Angeles, California he was convicted of burglary and sentenced to eight months in the county jail. After serving ninety days of this sentence he was released on probation for a period of two years.

Defendant shows absolutely no remorse at this time. He anticipates receiving a substantial sentence for the instant offense. In writer's opinion he is a confirmed criminal and a menace to society when in the free world.

Respectfully submitted,

Edward B. Murray

Committed Name RAY, James Earl

Register Number 72498-L

PRESENT OFFENSE:

Official Version: On April 1, 1955, Ray entered a plea of guilty to an information in one count charging him with forging the endorsement on a U.S. Post Office money order and he was sentenced to serve one and a half years. On July 1, 1955 another information was filed against him in three counts, charging offenses at Hot Springs National Park, Arkansas. He was also charged in an information with an offense connected with a money order at Tallahassee, Florida. He received a total of three and three-fourths years for these various offenses.

The facts which were brought out in this case indicate that on March 7, 1955 the U.S. Post Office at Kellerville, Illinois was burglarized and sixty-six blank U.S. Postal Money Orders and the office validating stamp were stolen. The following day at Alton, Illinois an unsuccessful attempt was made to cash one of these stolen money orders. Several other money orders were cashed at various places, and it was finally learned that Ray and his co-defendant, Walter Terry Rife, our 72497-L, were the persons who were attempting to cash these money orders. At the time of their apprehension thirty four of the money orders which had been stolen from the post office were found hidden under the dash above the glove compartment in the automobile, all of which had been dated and stamped with the validating stamp and some which had been made out ready for cashing while others had not.

Through questioning and admissions on the part of Ray and Rife, all of the sixty six money orders were accounted for with the exception of two, and Ray has admitted cashing one of them at a luggage store in Kansas City, Kansas and Rife admits cashing one of them at Miami Beach, Florida. Thus the entire group of sixty six money orders has actually been accounted for. Following their apprehension the Postal Inspectors obtained from the room occupied by Ray and Rife a quantity of merchandise they had acquired by passing the money orders and this merchandise was eventually returned to the persons from whom it was secured by this fraud.

Inmate's Version: Other than to admit that he had gone on a spree of cashing these money orders, Ray had no further information to give and no statement to make.

Previous Institutional Adjustments: Ray was committed to the Illinois State Penitentiary on July 13, 1952 to serve one to two years for robbery. On May 6, 1952 he had held up a Red Top cab driver at gun point and took from him \$11.00 belonging to the cab company, and then ordered the cab driver out of the cab and drove off in the cab. He was apprehended shortly thereafter by police who shot him during the capture and he admitted his guilt. He claims that he was heavily intoxicated at the time and had used a pipe in place of a gun, placing it at the back of the driver's body. He had a good adjustment at the Pontiac Division of Illinois State Prison, was assigned to their honor farm where he worked as a cook in the farm dormitory and as a helper in the officer's quarters. He was considered an average worker and had no punishment reports. He was discharged by expiration of sentence March 12, 1954.

FAMILY BACKGROUND:

Ray says that both of his parents were born in the state of Illinois and that they

are both now deceased. He says his father died of a heart attack in 1947 and his mother died in 1948 of causes not given. He claims that he is an only child.

PERSONAL HISTORY:

It would appear that Ray was born at Alton, Illinois [redacted] the only child of parents and resided in the parental home in Alton until about 16 years of age. However, during this period of time [redacted] frequently visited with his paternal grandparents in Quincy, Illinois. When he was about 18 years of age he joined the U.S. Army where he remained from February 19, 1946 until December 23, 1948 when he received an honorable discharge under Article of War 81B-809 in-aptness and lack of adaptability for military service. He had foreign service from July 18, 1946 to December 23, 1948. Following discharge from military service he resided for a short time at Quincy, Illinois and then moved to Chicago where he stayed for about six months and then went on out to Los Angeles, California. He was convicted of a burglary in Los Angeles and when released on probation from that sentence he returned to Chicago where he lived alone until he was committed to the Illinois State Penitentiary in 1952. Since his release from the Illinois State Penitentiary he has been rather nomadic, but considers Quincy, Illinois as his residence.

Ray claims that he completed eight grades at St. Mary's School in Alton, Illinois and that while residing in Chicago in 1952 he attended the Academy of Adults and obtained the equivalent of a two year high-school education.

Ray has not had much of an employment history. The last employment he had was with an uncle in Quincy, Illinois and he refused to reveal the name of the uncle to the U.S. Probation Officer. However, he gave us the name of William Maher, 1118 E. 7th St., Alton, Illinois. He also gave us the name of an aunt, Lucille Ryan, 801 N. 18th St., Quincy, Illinois. Neither of these parties has answered our inquiry. He claims that from August, 1951 to May of 1952 he was employed by the Borg Erickson Corp., in Chicago, Illinois and that employment was terminated when he was sent to the penitentiary for robbery. Other employment prior to this is listed under the employment section of page one of the classification study.

Ray has never been married.

EVALUATION, RESOURCES & PLANS:

Ray has no property and says he has no particular plans for the future at this time. He would like to work on a farm, pointing out that he was a trusty at the Illinois State Penitentiary. He admits drinking to excess at times. Just what motivates him to commit crime is not known.

ADMISSION UNIT REPORT:

This man has a good attitude towards his sentence. He has no resentments and states that he feels as though the Court gave him a break. His adjustment in the population should be good. States that he had no difficulties while on a previous sentence in Illinois. This man seemed to be a rather nervous person while being interviewed but was cooperative with the program while in this unit. He states that he would like to work in the kitchen as a helper. He stated that he worked on the farm while serving time at Pontiac, Ill. He keeps himself clean

RE: ANNUAL REVIEW

Ray is a twenty-eight year old white, single offender, serving three years and nine months for Post Office Forgery, Money Orders. At initial classification, Ray was assigned to work in the Fire Department. However, approximately a month later on September 15, 1955, he was reported for not being dependable and lack of interest in his job, for which he was given thirty days restriction. He has forfeited no good time and has no detainers. He has earned no extra good time. His conditional release date is May 20, 1958.

Ray has worked in the Fire Department, Paint Shop, and Bakery since his admission classification in July, 1955. He has been on his present assignment in the Bakery since March 8, 1956, and is regarded as an outstanding worker as a bench hand assigned to night duty.

During the past year he has completed Spanish, Composition, Typing, and Culinary Sanitation. He is presently enrolled in Applied English and Elementary Vocabulary.

He states that he corresponds fully with an Aunt, Mrs. Lucille Ryan, 701 1/2 Washington St., Quincy, Illinois. He has not received any visits.

Ray is a Catholic by preference who does not attend services, nor does not desire religious instructions. He is indifferent toward his religious obligations.

Ray was interviewed prior to the preparation of this report and indicated at that time that he was satisfied with his present assignment. He stated that his Supervisor was putting in a request to place him on meritorious service. His release plans were discussed with him, but he stated a person could not make plans nineteen months ahead. However, he did state that when he had completed his conditional release, he planned to go to Denver, Colorado, as he felt that that climate would be better for his health. There appears to be practically no family contacts in this case other than with this one Aunt. He apparently lacks foresight, or is afraid of the future, as he absolutely refuses to look forward. He claims that he can do his time better if he doesn't think. He further claims that he doesn't have any trouble at this time, has all the economic security that one needs, and apparently is enjoying his present situation.

Review of his medical and psychiatric file discloses that he has not been seriously ill since the last report; he has shown no evidence of mental illness, and has required no significant attention from the medical department.

Re: RAY, James Earl
#00416-J

Gentlemen:

This 38 year old white male was seen for psychiatric evaluation on December 13, 1966. He was admitted here in March of 1960, to serve a twenty year sentence for armed robbery. This is his first admission to this institution. In 1952, he served a year and one half in an Illinois Penal Institution for robbery and in 1955, he served two and one half years in Leavenworth for transporting stolen goods across the state line.

He is presently charged with an escape attempt in March of 1966 and has recently been returned after an evaluation at the Fulton State Hospital. He has requested an independent psychiatric evaluation following their evaluation. This examiner only recently received this request from the Cole County Circuit Court signed by Judge Riley requesting such an evaluation. However, the inmate expressed his desire to have someone conduct an independent "psychiatric evaluation who was not connected with the administration." We informed him that we would communicate his wishes to the court and possibly someone else might be found.

Ray is an interesting and rather complicated individual. He reports that within the last year, he has had considerable difficulties from a physical point of view, involving a number of somatic complaints such as pain in the "solar plexes," tachycardia and "intracranial tension." When we commented that these were rather large words, he reported that he had been reading up in the medical literature. He then stated that he thought at times that he had cancer or heart trouble but that he no longer feels this way. On certain days, he has rather severe head pains but this is only intermittent. He is now on librium and works intermittently on a construction job.

Ray was born in Alton, Illinois, where his father worked for the railroad. Both parents are now deceased. He has two younger sisters. He reached

the second year in high school, worked eighteen months at the International Shoe Company, entered the service in 1945 and remained there for three years. His highest rank was that of PFC. He has never been married although he has lived for brief periods of time with women. This man's basic problem revolves around what appears to be an increasingly severe obsessive compulsive trend. He states that at the age of ten, he awoke one night and thought he had lost his eye sight. He became quite fearful. These various fears confront him from time to time and in a typical obsessive compulsive way, he feels that he must do certain things in order to undo what he feels is going to occur and might result in harm to him. For instance, he describes a feeling of fear which can be alleviated if he takes his glass of water which he is drinking and sets it on the table and moving it back and forth several times. He also describes at length some rather marked obsessive compulsive features but is reluctant to go into them in detail. Indeed, he just started to discuss this with the people at Fulton prior to his being sent here. He appears worried and his brow is creased. It is evident that this man does have an underlying obsessive compulsive personality. He is of the opinion that his escape attempt was the result of undue anxiety and tension with the need to actually do something. He is fearful that this might lead into more serious difficulties.

At the present time, there is no evidence of delusions, hallucinations or paranoid ideas. There is evidence of a rather deep underlying obsessive compulsive personality trend which he has really never discussed at any length with anyone. This is not psychotic in nature but severely neurotic. Within the last year or so, there is evidence that he has become overly concerned about his physical health and some of his obsessive compulsive concerns have moved in this direction. We would not deny the fact that there may be some physical difficulties although he reports that this was the primary focus of his work-up at the state hospital as well as here and that very little has been found.

At the present time, it is doubtful that he is in a position to be considered for parole. His psychiatric condition must be evaluated by an independent psychiatrist and according to the court, he has the right to have this done. Where they will find this independent psychiatrist is somewhat difficult to determine in this area although they might order him to the University and have it done there. It is felt that he is in need of psychiatric help and that should any serious parole consideration be given, some type of psychiatric help should be considered, that is help, which he can receive on the outside during his parole period. He is becoming increasingly concerned about himself. We question whether or not he is beginning to be a bit depressed although he denies this. We hesitate to go into this to any greater degree at the present time until the court decides what action it will take in regards to assigning an independent psychiatrist for evaluation.

Sincerely yours,

Henry V. Guhleman, Jr., M. D.
Psychiatric Consultant

SUMMARY

This is a 37 year old single white man from St. Louis, serving 20, and 5 years concurrently for operating a motor vehicle without the permission of the owner, and robbery first degree by means of a dangerous and deadly weapon (2 charges). He has now completed about 5 1/2 years of his sentence on this third incarceration. Institutionally he has done well enough to merit consideration for parole. He denies use of narcotics and claims to be a light drinker. His record of arrests dates over a 16 year period. He seems to be pretty well established in this type of anti-social behavior. He will probably continue to make a fair institutional adjustment. Prognosis for making a successful adjustment in society is considered marginal at best. He may be able to serve a short parole without too much difficulty.

The following investigation was conducted by SA
RICHARD T. WINTERMAN:

On April 19, 1968, DOROTHY SHANDORF, United States Marshal's Office, Kansas City, Missouri, advised that records of that office reflect on Marcy 28, 1955, JAMES EARL RAY, Marshal's #12018, FBI #306443-A; and WALTER T. RIFE, Marshal's #12109, FBI #4558766, were fingerprinted on a charge of forgery. Miss SHANDORF stated there was no further information concerning this matter in records of the U. S. Marshal's Office.

On April 19, 1968, ELMER E. ROGERS, Assistant Business Representative; and KATHRYN CARLSTON, Secretary, American Bakery and Confectionery Workers Union Local 218, AFL-CIO, 19 West Linwood Boulevard, Kansas City, Missouri, advised that most of the bakers and apprentice bakers employed in the greater Kansas City area are employed through that office. They reviewed records of all persons who were employed through that local or who applied for work through that local during 1967 and 1968, and were unable to find any such person who might be identical with JAMES EARL RAY or WALTER TERRY RIFE on the basis of names and known aliases and physical descriptions. Both were shown a photograph of RAY and stated they could not identify this individual as anyone with whom they had had contact. They stated they would be alert to the appearance at that office of anyone who might be identical with RAY or RIFE and would immediately contact the Kansas City FBI Office.

They further stated that there is also a union known as the Bakery and Confectionery Workers Union Local 218, not affiliated with the AFL-CIO, located in the VFW Building, 34th and Broadway, seventh floor, Kansas City, Missouri. The latter union handles mostly miscellaneous bakery workers other than bakers and apprentice bakers.
