SUBJECT: MURKIN

DATE: 9/9/68

For information of Memphis, on 9/6/68, CLINTON E. PRATT, former Chief, U. S. Navy, and investigator for the U. S. Navy Shore Patrol, Norfolk, Va., now retired, telephone number 420-6639, telephonically advised SA STEPHEN J. BOYLE, III, as follows:

MELTON EARL WILSON, Aka, Stoney Wilson, Owner and Operator of Stoney's Bar B-Q, 4425 Bainbridge Boulevard, Chesapeake, Virginia, has been reported to be a member of the United Klans of America Inc., Knights of the Ku Klux Klan, in the past and has always talked in his restaurant in favor of the Klan and its activities.

On a previous occasion, approximately a month ago, WILSON told PRATT, while PRATT was eating in the restaurant, that he was taking up a collection for the defense of JAMES EARL RAY. Therefore Chief PRATT stated that when he visited Stoney's Restaurant on 9/5/68, Stoney was drunk and he inquired of STONEY as to how the collection was coming. PRATT stated that WILSON showed him a receipt for \$50.00 and commented that he had sent the \$50.00 to the Attorney representing JAMES EARL RAY.

Chief PRATT stated that WILSON did not at any time mention the UKA, Inc., KKKK.

For information of Memphis, STONEY has been identified by informants as having been a member of the Klan in Virginia, during the last two - three years and Klan meetings have been held on STONEY's property.

When WILSON was interviewed by Bureau Agents on 2/7/67, he stated that he was a member of the UKA, and was just as much a member of the Klan at that time and was just as active in the Klan as he wanted to be. he could not furnish any information concerning the Klan.

Above is for information of the Memphis Office.

## FEDERAL BUREAU OF INVESTIGATION

1Date 9/10/68

ONA M. KENNEDY, 5300 Marlborough Drive, San Diego, California, advised that she was in Memphis in April on a visit to her relatives. She stated that she was in Memphis at the time MARTIN LUTHER KING was assassinated.

Mrs. KENNEDY stated that HELEN WILLIS, address unknown, of Memphis, Tennessee, told her that there is a man who owns a gun shop near the scene of the assassination who is said to have killed KING and thrown the gun out of the gun shop window. Mrs. WILLIS stated that the only reason that JAMES EARL RAY was in the room with a rifle was to shoot KING in case the actual killer missed his shot.

Mrs. WILLIS, according to Mrs. KENNEDY, knows many police officers in the Memphis area, and has stated that she has been told that Mrs. YARBOROUGH, landlady at the rooming house where RAY stayed, had been given two thousand dollars and that she will not remember JAMES EARL RAY for identification purposes at the time of the trial. According to Mrs. WILLIS, Mrs. YARBOROUGH is being "hidden out" by the police department at this time.

Mrs. YARBOROUGH stated that her brother, CHARLIE MAPLES, who lives near Merced, Tennessee, is acquainted with a county farm bureau employee who visited him at home while Mrs. KENNEDY was visiting her brother. This individual is reported to have told her brother that KING, according to plans, should have been assassinated the day previous, but that plans did not work out according to previous arrangements. This individual, according to Mrs. KENNEDY, who saw him sitting in a Chevrolet two-door Sedan, is a white male, approximately thirty-seven years of age, with blond hair, light complexion. He apparently works for the Farm Bureau at Jackson, Tennessee.

Mrs. KENNEDY could furnish no further information concerning the assassination of MARTIN LUTHER KING. *44-1987-Sub-B-1436*

By re telephone call, Supervisor LONG advised that Mrs. ONA M. KENNEDY, former PCI of the San Diego Office, had been in Washington and was on her way back to San Diego. While in Washington, Mrs. KENNEDY furnished information concerning the MURKIN Case to the effect that she was visiting in Memphis with relatives at the time of KING's murder and that she heard from a third party that JAMES EARL RAY did not kill KING, but that an unknown individual who owned a Sporting Goods Store near the place of the murder killed KING. Supervisor LONG instructed the San Diego Office to interview Mrs. KENNEDY in detail upon her return to San Diego.

On 9/6/68, Mrs. KENNEDY was interviewed at San Diego, and enclosed for the Memphis Division are ten copies of an FD 302 reflecting her interview.

On 9/9/68, PCI LILLIAN DICKINSON, 2420 Arnold St., Camden, N.J., advised SA JOHN E. OTTO on 9/6/68, she received an airmail letter from JERRY RAY. The envelope was postmarked on 9/5/68, at St. Louis, Missouri. RAY said he sent the letter from 1902 Cherokee St., St. Louis, Missouri.

JERRY RAY answered PCI's letter she sent him during the latter portion of August, 1968, with this communication.

JERRY RAY stated in this letter relative to the subject, "After the trial things will be different. We have a lawyer who is going to file some lawsuits against a couple of magazines after the trial is over. The magazines told a lot of lies and my brother said the reason they lied about him was because they thought he was dead. We have a few other things planned but most of it evolves around the verdict the jury brings in. If they find him innocent he will wind up a rich person." JERRY RAY noted he talked to the subject for about one hour approximately three weeks ago. Then he said he found the subject in good spirits.

JERRY RAY said on 9/11/68, he intended to move to Quincey, Illinois, where he will obtain temporary employment for four or five weeks. He said he will furnish PCI with his address once he establishes a residence in Quincey.

In view of the tragic nature of this crime and because of the intense racial strife which resulted from this crime, it has been the subject of very little levity. No items having human interest value have come to the attention of the Memphis Office, except for the fact that the subject's jailers have reported that when the subject is allowed to watch television his favorite program is "The FBI."

In the event any additional human interest items come to the attention of this office, they will be promptly forwarded to the Bureau.

ReBulet 8/23/68 captioned as above.

A review of the MURKIN file at Los Angeles fails to reveal any human interest items observed or recorded during the investigation of this matter.

Of news interest during the investigation was the trip from Los Angeles to New Orleans by CHARLES STEIN and LOUIS LOMAX to retrace the earlier trip taken by STEIN and JAMES EARL RAY. Because of the controversial nature of LOMAX, it is not felt that this information would be suitable for submission.

SAC, NORFOLK (9-467) (C)

UNSUB;  
PRESIDENT LYNDON B. JOHNSON  
VICTIM;  
MARTIN LUTHER KING -  
VICTIM  
EXTORTION - RACIAL MATTERS

For information of Memphis, GEORGE WASHINGTON RIDDICK, Sr., a Negro male who resides in Philadelphia, Pennsylvania, is believed to be identical with the unsub in instant case (Philadelphia file 9-2656; Norfolk file 9-467), which investigation was conducted in January, 1967. Also, RIDDICK was the subject of the case, "GEORGE WASHINGTON RIDDICK, Sr., aka: Howard I. Legum - Victim, Extortion," in 1964 in Philadelphia and Norfolk. Philadelphia was origin in that case, whereas Norfolk was origin in the above-mentioned case. RIDDICK was convicted on 8/25/64 in USDC, EDPA, Philadelphia, for extortion, and was sentenced to one year's probation on one count, and one year's probation on the second count, to run concurrently (Philadelphia file 9-2433; Norfolk file 9-367).

Secret Service, Norfolk, is aware of both investigations and was furnished information in both cases.

For the further information of Memphis, in the latter case mentioned above, the U. S. Secret Service, Norfolk, advised on 11/11/64 that the Baltimore, Maryland, Police Department, had made available to Secret Service items it had recovered, including an alleged explosive and what appeared to be an account showing payments received to assassinate President LYNDON B. JOHNSON. The Secret Service advised RIDDICK appeared to be the logical suspect in that matter.

RIDDICK formerly resided in Suffolk, Virginia, and information in above two cases referred to such individuals as JOSHUA PRETLOW and E. C. FERGUSON, Jr., both of whom are attorneys in Suffolk, Virginia, and contained such language as "The KKK is still going to ride on, in the South and other states and cities. President Johnson and Martin Luther King will soon be assassinated, at the first chance," and "(This smart Nigger will be killed)," as

well as "Dah, Soo'bahr: Pohveh' rehneey:" etc.

RIDDICK in 1963 sued the Seaboard Citizens National Bank, Suffolk, Virginia, because in 1962 it sold a piece of property owned by RIDDICK on which the bank held a mortgage. RIDDICK's case resulted in a nonsuit subsequently.

In the latter case before RIDDICK was arraigned, the U. S. District Court, Philadelphia, granted RIDDICK's attorney application to have RIDDICK examined by a doctor, as the attorney felt there was a question of RIDDICK's mental stability.

Also, on March 28, 1967, Secret Service, Norfolk, advised that RIDDICK had left similar items to the articles found abandoned in a locker at the Continental Trailways Bus Station, Richmond, Virginia, which were recovered on 3/14/67 (Norfolk file 157-946).

For the information of Philadelphia and Memphis, on 8/20/68, W. FARLEY POWERS, Jr., Clerk, U. S. District Court, EDVA, Norfolk, Virginia, contacted the SAC, Norfolk Office, and advised that the Clerk's Office had received some material which possibly was received from a Klansman. On 8/21/68, SA STEPHEN J. BOYLE, III, contacted G. R. OLD, Deputy in Charge, U. S. District Court, EDVA, Norfolk, Virginia, who made available the material received in the USDC.

A review of the material indicates that two large brown envelopes, both postmarked Petersburg, Virginia, August 18, 1968, addressed to "United States District Court for the Eastern District of Virginia, Norfolk Division," had been received by the Clerk's Office and opened by that office. Both POWERS and OLD stated that the labels used to address the envelopes appeared to be typewritten captions of court orders from that District Court, which had been Xeroxed. Inside of the first envelope was an unsealed smaller white envelope addressed to JOSHUA PRETLOW, Attorney, Suffolk, Virginia, and a letter which started out, "Dah, soo'bahr," and contained such printing as, "Deh'nehjneeey pehrehvohd," etc. The letter was signed "Representative."

Also contained in the brown envelope was another letter addressed to JOSHUA PRETLOW, which was unsealed. In this envelope was a \$10.00 bill, Serial Number E 91003202, Series 1963; a letter captioned "Dah, soo'bahr:" which was also signed "Representative," and three copies of a conditional sales contract which had not been filled out or completed. Also contained in this envelope was a letter which was signed, "Adviser Unknown," which contained the

NF 9-467

language "The KKK is still going to ride on, in the South and other states and cities. Mr. President Johnson, and Mr. Martin Luther King, will soon be killed at the first chance."

Also contained in the brown envelope was an unsealed letter addressed to JAMES EARL RAY, County Jail, Memphis, Tennessee, with return address of "Prof Building, Suffolk, Virginia 23434." Inside of this envelope was a \$5.00 bill, Serial Number E 79711158A, Series 1963 A, which had paper clipped to it a small label bearing the printing, "Hansemond County Commissioner in Chancery."

Also in the brown envelope was a sealed envelope addressed to Attorneys PARR and HUNTER, Professional Building, Suffolk, Virginia.

The second brown envelope which was addressed the same as the above-mentioned brown envelope, contained a copy of a newspaper clipping from the "Elko Daily Free Press," newspaper, Elko, Nevada, which is a reprint of the 7/18/63 edition, and pertains to a company seeking petitions to drill for oil. Typed at the bottom of this newspaper clipping were the names PARR and HUNTER, Attorneys at Law, Professional Building, Suffolk, Virginia.

Above information is being set forth for the information of Memphis and Philadelphia as it is apparent that GEORGE WASHINGTON RIDDICK has mailed this material to the USDC, EDVA, Norfolk, Virginia.

Also, it is to be noted that Mr. OLD advised that RIDDICK currently has a civil suit pending in that court.

Subsequently, on 9/3/68, Mr. OLD advised that he had received a letter in the above-mentioned civil case of RIDDICK which bore a stamp on the envelope of the same type and style as contained on the above two brown envelopes.

On 8/21/68, Mr. POWERS, mentioned above, advised that the USDC did not know what it intended to do with the above-mentioned material or the money, and that Mr. POWERS did not feel it was any obligation upon him or the court to mail the envelopes or to seal the envelopes. Mr. POWERS stated that he would discuss this matter with the U. S. District Judge for that court. Mr. POWERS advised by SA BOYLE of the possibility that RIDDICK had mailed this material and that the Norfolk Office was not further interested in the material as no threats were contained in any of the material received.

NF 9-467

Norfolk is retaining Xero copies of the above-mentioned material in file 9-467.

Norfolk is conducting no investigation in this matter.
