

## RECORDS OF THE BUREAU OF INDIAN AFFAIRS (RECORD GROUP 75)

### Documents Relating to the Negotiation of Ratified and Unratified Treaties with Various Indian Tribes, 1801-1869. T494. 10 rolls.

Reproduced in this publication are journals of treaty commissioners, proceedings of councils, reports, and other records relating to the negotiation of Indian treaties that were ratified by the Senate plus similar records pertaining to Indian treaties that were never ratified by the Senate. Some of these treaties were made between Indian tribes without the United States as signatory. Most of the records in these files were taken from the incoming correspondence of the Office of Indian Affairs and that of the Secretary of War relating to Indian affairs. The ratified treaty files are arranged by treaty number assigned by the State Department (the custodian of the original treaties), thereby making the files the equivalent of a chronological arrangement by date of signing of the treaties. The unratified treaty files are arranged chronologically. The original ratified treaties are reproduced as M668.
