PRIVACY ACT STATEMENT

Collection of this information is for a voluntary commercial transaction authorized by 44 U.S.C. 2108. Disclosure of the information is voluntary; however, we will be unable to respond to your request if you do not furnish your name and address and the minimum required information about the records. The information is used by NARA employees to search for the record; to respond to you; to maintain control over information requests received and answered; and to facilitate preparation of internal statistical reports. If you provide credit card information, that information is used to bill you for copies.

REFUND POLICY

Due to various factors, it is occasionally difficult for NARA to make a legible reproduction. NARA will notify customers and ask for approval to proceed if we anticipate a reproduction of questionable legibility. As a result, NARA does not provide refunds except in special cases. If a customer requests a refund, we review the order to determine if we properly notified the customer of the questionable nature of the original and if the product is a true representation of the original. If the product is a true representation of the original, we will not issue a refund. If you feel we processed your order incorrectly or it contains errors, please contact us within 30 days of your delivery date to have your issue verified. Once we verify the issue, we will correct the error and resend the documents. If we cannot correct the error, you will receive a refund.

ELECTRONIC TRANSFER

Electronic transfer allows you to download your files from a site, as opposed to having them mailed to you. You will be sent a link for the download. Click the link and download the file to a location of your choosing. Download speeds will vary based upon file size and your internet connection. A valid email address is necessary for electronic transfer. Total file transfers can be up to 5 GB. However, files of that size are typically separated into multiple, smaller files. Files will be available for 30 days from date of upload; downloads of the files should take place within that period. ***To ensure electronic receipt of your order, please add electronic.delivery@nara.gov to your trusted senders list.*** In some cases, certain email applications will move your reproduction orders to your spam box. Please monitor your spam box while awaiting your order.

REPRODUCTION QUALITY STATEMENT

All NARA microform contains the best available images of the original archival documents. Due to age, physical deterioration and equipment available at the time the original documents were imaged, some images may not be up to today's standards of clarity. NARA makes every effort to provide customers a clear and accurate duplicate of the original microform master.
