DAVID KAL HAINES, 220 East Sierra Madre Avenue, Apartment F, Sierra Madre, California, furnished the following information:

He is nineteen years old and a student at Pasadena City College, Pasadena, California. Since the end of April 1968, he was a volunteer worker at the Pasadena Headquarters of the Youth for KENNEDY Club. On Tuesday, June 4, 1968, he was busy at the Youth for KENNEDY Headquarters in Pasadena until approximately 9:00 p.m. At that time, he and a fellow worker, RAY (last name unknown), decided to go to the Ambassador Hotel in Los Angeles to await the election returns. They went in RAY's automobile, arriving at the Ambassador at approximately 9:45 p.m. They joined the throng that had gathered in the lower level ballroom where television sets were placed to follow the returns.

He met several of his fellow workers from Pasadena and recalls meeting SANDRA SERRANO, who was in charge of the Pasadena Youth for KENNEDY Club, sometime between 10:00 p.m. and 11:00 p.m. SERRANO was in a group standing near a bar set up in the foyer area at the entrance of the ballroom. As she was obviously underage, he ordered her a screwdriver drink from the bar and chatted with her for awhile. To his knowledge, that was the only drink she had that evening.

He rejoined the crowd in the ballroom and was at that location when the news that Senator KENNEDY had been shot was received. He watched the proceedings on television in the ballroom for some time and then started to move through the crowd in the ballroom looking for his friends. He came across his fellow worker, RAY, who had taken him to the Ambassador, who was in a complete state of collapse at the news and was lying on the floor. He and a girl, name unknown, who had met RAY at the ballroom, gave assistance to RAY and he remained with them until RAY was sufficiently recovered, that he could leave RAY in the girl's care. He then lent assistance to an unidentified elderly lady who asked him to take her to her automobile parked on a side street

in the vicinity of the hotel, which he did. Upon returning to the hotel, he again met SANDRA SERRANO, who was with another Pasadena worker, IRENE CHAVEZ. They met in the vicinity of the shop area or arcade of the lower level. He estimates that this was at least one hour after he first heard of the shooting.

SERRANO was extremely upset, crying, and distraught. He recalls her saying "Oh, DAVID, you don't know what I have seen" and "What should I do". She also said other things which he cannot now recall, but as he was also upset and trying to get back in the ballroom to where he had left RAY, he attached no significance to what SERRANO had said. He believed it only related to the fact that Senator KENNEDY had been shot. He then returned to the ballroom, searched for his friends, and had no further contact or conversation with SERRANO.

While he was at the Ambassador Hotel, both prior to and after the shooting, he did not see anyone resembling the photographs or general description of suspect, SIRHAN SIRHAN, nor could he recall seeing any women in a white dress with black polka dots.

He has known SANDRA SERRANO since April 1968, and she was in charge of the Pasadena Office of the Youth for KENNEDY Club. He considers her to be a reliable, level headed and a responsible person.

He is entering the Marine Corps in mid-July 1968 and prior to that time will spend two weeks vacationing in Texas where he can be reached in care of Mr. BOB PHILLIPS, 4007 Cornelia, Greenville, Texas.

NAJEEB H. KHOURY was interviewed at his residence, 5767 Fountain Avenue, Apartment 8. After the agents identified themselves, KHOURY was advised of the FBI's interest in the shooting of U.S. Senator ROBERT F. KENNEDY.

KHOURY advised he was a Medical student, University of Guadalajara, Mexico City, Mexico. He returns to Los Angeles each vacation and during the summer to make enough money for the next semester's expenses. During these periods he plays the "Oud", a musical instrument, at the Arabian night club, La Fez, 1508 North Vermont, Los Angeles. SIRHAN SIRHAN had a brother, ADEL SIRHAN, who also worked at the La Fez, but KHOURY was only casually acquainted with him. Through this brother, KHOURY met two or three other members of the SIRHAN family, but he never knew SIRHAN SIRHAN. The only time KHOURY ever visited the SIRHAN home was approximately one year ago following the death of AIDA SIRHAN, a sister and the victim of Leukemia.

KHOURY stated he had always been pro-KENNEDY. He explained that he considered President JOHN F. KENNEDY a real friend of the Arabs and felt ROBERT F. KENNEDY shared these views. For this reason he was shocked that a Jordanian, or any Arab for that matter, would kill ROBERT KENNEDY. KHOURY denied that he belonged to any organizations, pro-Arab or otherwise.

He is nineteen years old and has just completed his Sophomore year at Yale University. At present, he is employed as a messenger by Noble, Cooke, 618 South Spring Street, Los Angeles, California, a stock brokerage firm. He intends to return to Yale on approximately September 15, 1968.

Upon arriving home from Yale, he volunteered his services to the Youth for KENNEDY Club in Pasadena and worked there on Monday June 3, 1968, until 9:00 p.m. and on Tuesday, June 4, 1968, the day of the California primary.

On June 4, 1968, at about 8:15 p.m., he and some of his fellow-workers decided to go to the Ambassador Hotel in Los Angeles to await the election returns. He went to the Ambassador with SANDY SERRANO, IRENE CHAVEZ, GEORGE FREDERICKS and a MIKE (last name unknown) in FREDERICKS' auto.

They arrived at the Ambassador Hotel at approximately 9:00 p.m. and joined the crowd which had gathered in the ballroom on the lower level of the hotel to watch the election returns on television sets which had been set up there. The group split up and went their separate ways after agreeing to get together later on in the evening for the ride home.

ABBOTT stated that he spent most of the evening in the ballroom with DINAH CHURCHILL, 945 Hilgard Avenue, Apartment 105, Westwood, California, whom he met at the gathering. He recalls seeing SANDRA SERRANO at least once, in the crowd, prior to the news of the shooting.

He was in the lower level ballroom when he first heard the news that Senator KENNEDY had been shot. This is directly below the ballroom where Senator KENNEDY made his victory speech. He believes that approximately twenty minutes later he left the ballroom, with DINAH CHURCHILL, and was in the long corridor leading to the entrance of the lower level ballroom, when he again met SERRANO. She was alone, sobbing hysterically and talking incoherently. He took her into his arms and attempted to comfort her. He cannot recall anything in particular that SERRANO said, at that time, but his impression was that it simply dealt with the horrible fact that Senator KENNEDY had been shot.

As his companion, DINAH CHURCHILL, was also visibly upset and standing alone down the corridor, he excused himself and took DINAH out of the hotel.

He was, thereafter, in and out of the hotel several times searching for SANDRA and IRENE CHAVEZ in order to take them home, but saw neither one. He assumed they had obtained other rides and left the hotel at approximately 2:30 a.m. to return to Pasadena.

During the period he was at the Ambassador Hotel, both prior to and after the shooting, he did not see anyone resembling the photograph or description of suspect SIRHAN SIRHAN, nor could he recall seeing any women in a white dress with black polka dots.

He first met SANDRA SERRANO on June 3, 1968, at the Youth for KENNEDY Headquarters in Pasadena where she was in charge. He had an opportunity to talk to her extensively on both June 3 and June 4, 1968 and considers her to be a reliable and responsible person.

EVERETTE C. BUCKNER, 129 East Bennett Street, Glendora, California, was interviewed at the San Gabriel Gun Club, 4001 Fish Canyon Road, Duarte, where he is presently employed in the capacity of a line officer.

Mr. BUCKNER stated he was working on the morning of June 4, 1968, in the area of the target shed, when an individual came to the shed and purchased a pistol target. He advised he is responsible for the sale of targets and ammunition, and said he told this man to sign the non-member register, which was done, and that this individual, after obtaining his target, then proceeded to the vicinity of position number 1 or 3 at the extreme end of the pistol range. He said he could not definitely pinpoint the time of day, but estimated that it was sometime after 10:00 a.m. He said he did not, at this time, observe this individual firing the pistol, but knew that firing was taking place from the noise at that end of the range. He could not recall whether there were any other shooters on the pistol range at this particular time.

He said sometime thereafter, possibly 30 minutes or so, a couple approached the target shed and the man told him he desired a target for the rifle range, and that the girl wanted to shoot a pistol. He said he told this man that it would be necessary for them to separate, inasmuch as rifle firing is not permitted on the pistol range, and the male then obtained his target and started to walk toward the rifle range. He said at this point he made the comment to the man, "Arn't you going to help your wife set up her target?" He said this man replied to this comment rather angrily, "She's not my God damn wife." At this time the man then proceeded alone toward the rifle range area.

BUCKNER said he then took the pistol target for the girl and started walking toward the pistol range, at which time the girl made a comment to him to the effect, "This is the first time I have shot this gun, but I have to shoot it today." BUCKNER said he

told the girl that it was against the Gun Club's rules for him to assist her in any way with the gun, loading or anything else, but that he would, on his own, help her in setting up her target. He said that they went to a position near the end of the pistol range, which would be position number 22 or 23, and he thereafter set up the girl's target at the 15 yard line. He said after returning to the line he watched the girl fire for a short period of time, and noted that she was a very bad shot, inasmuch as she was not even hitting the target. He said during this period of time the man who had come earlier was at the extreme other end of the range firing his pistol, although BUCKNER paid little or no attention to him.

He said he returned to the target shed and a short time thereafter the man who had come earlier came to the shed and asked him if he sold ammunition. He said he replied in the affirmative, at which time this individual said to him, "I want something that won't misfire." He said he told this man that he had the regular .22 shells, which this man was firing, for sale at \$.85 a box, but that he also had a more expensive shell, which he believed sold for \$1.40. He said he told this man he had never seen any of the expensive shells misfire, and that at this time, the man said he wanted a box of this shell. He said he then sold a box of the expensive shells to the man, at which time the man then returned to his firing position.

BUCKNER exhibited a box of .22 long high velocity rifle shells, Imperial brand, which bore the stamped letter "D" on the base, which he said he was quite certain was the same kind of shell he sold to this man. It was noted that the price of \$1.05 was marked on the box of this particular shell.

Following this incident, the time not being noted, he walked to the pistol range to see how the girl was doing with her shooting. He said he was approximately two to three feet from

LA 56-156

her at this time, and at this point the man, referred to previously, walked up to him with his target in his hand and said to him, "How's this for shooting?" He said he observed the target of this man, and noted that all shots were in the bulls-eye area. He said he told this man that this was very good shooting and was, in fact, the best shooting he had seen on this range. He said the man was quite elated over his fine pistol shooting and seemed to be very happy.

Immediately following this conversation, he said this man then walked over to the girl, who was having difficulty with her shooting, and made some type of remark to her to the effect that he would show her how to do it. He said the girl then commented to this man, "God damn you, you son of a bitch, get out of here or they will recognize us." He said this man did not leave and continued to show her how to shoot the gun. He said he did not overhear any further conversation and did not know whether there had been any further conversation.

Following this he said he did not observe this man again and assumed that he must have left.

Sometime thereafter the man with whom the girl had come and who had shot the rifle, came to the pistol range area and the girl, rather jubilantly, showed him her target, which had one hole in the bulls-eye. He said the man then made some kind of comment to the girl to the effect she had fool's luck. He said he overheard no further conversation and following this he assumed that the man and woman left, although he did not see them leave the range.

Mr. BUCKNER said he did not observe the gun fired by this girl very closely, but said he believed it was a .22, that it was a small gun, and it was his recollection that it had a pearl handle.

LA 56-156

With respect to the rifle shot by the man, BUCKNER said that the rifle had been brought by this man, but he stated he could not recall anything about it, as to whether it was in a case or not. He said in all probability it had been in a case, but he could not state this as a fact.

Mr. BUCKNER was exhibited a photograph of SIRHAN SIRHAN, LAPD #BK 495139, and after viewing this photograph positively identified this photo as being of the man who had come to the range earlier on June 4, 1968, who had shot at the extreme end of the pistol range, at position one or three, who had purchased a box of ammunition from him, and who had had conversation with the girl.

With respect to the girl he said he had never seen her at the range before, but noted he had only worked at the range for approximately two weeks previous to this time. He described this girl as white; 25-30 years; 5'6" - 5'8" tall; 135 pounds; blonde hair, worn shoulder length; rather husky build; attractive, and wore very little make-up.

He described the male accompanying this girl as white; 30 years; 5'10" - 6'; 175-180 pounds; long hair and rather slight in build.

He said it was his recollection that the man accompanying the girl had purchased both targets and that while it was a regulation that anyone firing had to sign the register, he did not believe that this man had signed the register.

He stated he felt that should he see this girl again in person that he would be able to recognize her, and that if anything further came to his mind concerning this incident he would immediately notify the FBI.

On June 12, 1968, Special Agents GEORGE M. KLING and CHARLES W. BADGLEY contacted DAVID RALPH MONTELLANO and identified themselves as agents of the FBI. MONTELLANO stated that he was willing to talk to the FBI and provided the following information:

MONTELLANO stated that he is currently residing at 3314 Maceo, is 20 years of age, and is currently unemployed.

On June 4, 1968, he and HENRY CARREON decided to go to the San Gabriel Valley Gun Club, 4001 Fish Canyon Road, Duarte, California, and to do some target shooting. He stated that they arrived at the range at approximately 11:30 a.m., and after securing their targets, went to the rifle range in order to fire a .22 caliber Marlin carbine rifle. After firing several rounds, MONTELLANO said that he and CARREON heard some rapid firing coming from the pistol range, which is adjacent to the rifle range. MONTELLANO said that he and CARREON discussed the matter briefly and then decided to go to the pistol range to see what kind of weapon was being used in connection with this rapid firing.

MONTELLANO advised that he and CARREON then went to the pistol range and at the far end of the range they saw an individual whom he described as approximately 5'4" - 5'5" in height, 115-120 pounds, dark complexion, bushy haired, and dressed in light colored clothing, firing around gun position four or five. MONTELLANO said that he asked the individual, "Is that a .38?" and the individual replied, "No, it's a .22." MONTELLANO stated that he observed about six boxes of Super X Western .22 long rifle shells in front of the individual on the bench, and two boxes of .22 caliber mini magnum shells. He stated that he thinks CARREON asked the individual if his gun was single or double action. He stated that the individual replied "It's single action"; however, he later changed his mind and said, "I was confused, it's double action." MONTELLANO stated that on one occasion, the individual showed he and CARREON the weapon, and he personally observed

MONTELLANO stated that this party was firing a .32 caliber chrome plated gun, with white or pearl handles, and possibly a magazine loaded automatic. He stated that at least on one occasion he recalls either the man or one of the boys gave assistance to the woman who was firing the gun. He said that earlier when he and CARREON were on the rifle range, he remembered this party being there, and he recalled the man said something to the effect, "She has never shot a pistol before and I wanted to teach her." He said that he thought he would recognize the man and the younger of the two boys if he were to see them again; however, he doubted if he would recognize the woman and the other boy. He stated that he had the impression that the party was a man and his younger wife and two sons or possibly a man, his daughter, and two sons.

MONTELLANO further advised that he, at no time, saw the individual firing at the far end of the pistol range, come over to converse with, or observe the four members of the party during their time on the pistol range or rifle range.

MONTELLANO, upon being shown pictures of various individuals, picked out a photograph of SIRHAN SIRHAN as positively being the individual whom he had seen firing at the far end of the pistol range, and had engaged in conversation. MONTELLANO stated that he is aware that SIRHAN is currently under arrest for the assassination of Senator ROBERT F. KENNEDY and he is certain that the individual at the range was SIRHAN SIRHAN.

MONTELLANO stated in conclusion, that if he could recall any additional details regarding the occurrences on the firing range that he would contact the Los Angeles FBI Office.

WALTER GEORGE RICH, 10812 East Indiana Street, Whittier, telephone 695-3040, advised that he is a student at the University of Nevada and is home for summer vacation.

On the evening of June 4, 1968, he accompanied his cousin, TIMOTHY PAUL RICH, to the Ambassador Hotel to observe the activities of the KENNEDY campaign. They arrived at the Ambassador Hotel at approximately 11:00 p.m.

They worked their way into the Embassy Room where they had determined KENNEDY would possibly make an appearance sometime during the evening.

While in the Embassy Room, WALTER's cousin, TIMOTHY, went to the area near the righthand side of the stage in order to determine where he might be able to get close enough to Senator KENNEDY to hand him an envelope containing photographs taken by TIMOTHY during KENNEDY's last campaign in California. While TIMOTHY was gone to this area, WALTER remained in the central part of the Embassy Room.

TIMOTHY returned to WALTER shortly before Senator KENNEDY arrived to make his speech. They both remained in the Embassy Room where KENNEDY and other members of his staff made speeches. Shortly before KENNEDY finished his speech, WALTER asked his cousin if he was going to give KENNEDY the photographs to which TIMOTHY indicated in the affirmative and they made their way to a passageway at the rear of the stage area.

WALTER stated that behind the stage was a hallway. He did not know where the hallway lead if one went behind the stage; however, if one went "to the right" they would enter an area which he subsequently learned was the kitchen.

WALTER advised that he walked into the kitchen area before KENNEDY came through the hallway, but took no notice of any particular individual.

While waiting for KENNEDY to finish his speech, WALTER and TIMOTHY assisted an individual in forming a line to keep people from entering the hallway from the Embassy Room.

Shortly thereafter, WALTER observed KENNEDY leave the stage area and enter the passageway into the kitchen.

At about that time, TIMOTHY and WALTER became separated. WALTER attempted to follow KENNEDY into the kitchen area and as he was entering the kitchen area, he heard three sharp noises which resembled a cap pistol.

At almost the same instant the crowd in front of him opened leaving a greater gap between him and Senator KENNEDY. WALTER saw a man fall backwards to the floor with blood "all over his face and seemingly suspended in the air". WALTER also saw Senator KENNEDY lying on the floor.

The crowd closed up the gap and immediately pandemonium broke out.

WALTER and TIMOTHY immediately left the kitchen area and hid behind a wall. WALTER advised that he did not hear any shots after the initial three shots were fired, but he observed at least two other individuals, both men, inside the anteroom to the kitchen who had apparently been shot.

After remaining outside the kitchen for about a minute, TIMOTHY was able to re-enter the kitchen; however, WALTER remained outside. WALTER stated he observed no further activities inside the kitchen and did not, at any time, see the individual resembling a photograph he had seen of SIRHAN SIRHAN.

WILLIAM DUANE ALLEN, Director, Vocational Business and Industrial Education, Pasadena Unified School District, 351 South Hudson, advised that he had been a counselor at John Muir High School in Pasadena, from 1960 to 1966. He stated that he had been counselor to SIRHAN BISHARA SIRHAN during SIRHAN's junior and senior years, this being September 1961 to June 1963. ALLEN advised that when SIRHAN's identity was made public, ALLEN had reviewed some old records he maintained to see if he had counseled SIRHAN. ALLEN advised that SIRHAN was not the kind of student who frequented his office as either a very good student or a very bad student. ALLEN advised that he remembered SIRHAN because of SIRHAN's insistence upon taking basic courses in high school with no industrial or business courses in his schedule. ALLEN stated that he had advised SIRHAN to take one easier course each semester so SIRHAN could get better grades, but that SIRHAN had remained insistent on taking basic education courses. ALLEN advised that SIRHAN had a language problem in school which hindered him on testing, and that SIRHAN's test scores did not reflect his ability.

ALLEN stated that he did not recall any conversations with SIRHAN which might have reflected SIRHAN's political beliefs or about his family background. ALLEN advised that he could only recall the context of one conversation and that was in regard to SIRHAN's first and last name being the same. ALLEN advised that SIRHAN never discussed anything of a personal nature and that all counseling sessions were academically oriented.

ALLEN furnished a form which he called a "Senior Data Sheet." ALLEN advised that this form had been furnished to SIRHAN to list interests, school activities, honors, positions held and any other noteworthy high school accomplishments. ALLEN displayed the form which had nothing listed on it and was unsigned. ALLEN advised that this form was for the counselor's benefit so that he could provide background information to interested colleges that would inquire about

a particular student. ALLEN advised that SIRHAN's record shows that he did not participate in any high school extra-curricular activities. ALLEN further advised that it was not uncommon that an academically average student would not participate in any activities. ALLEN further advised that he was the sponsor for numerous activities at John Muir High School and that he could not recall SIRHAN at any function, social or otherwise, or participating in any class project. ALLEN advised that SIRHAN was definitely not a class leader.

ALLEN advised that his record shows that SIRHAN received several deficiency notices, which are a note to the student's parents that the student is doing below "C" average work in a particular course. ALLEN advised that according to his record and the high school transcription, SIRHAN usually was able to do at least "C" average work, which indicated to him that SIRHAN had not been a lazy student and could respond to suggestion.

ALLEN advised that SIRHAN had taken the California Cadet Corps course all three years in high school. ALLEN advised that this was almost identical to the high school Reserve Officers' Training Corps sponsored by the Federal Government, also known as ROTC. ALLEN advised that the California Cadet Corps is sponsored by the State of California at the John Muir High School to provide the same type of curriculum as Pasadena High School, which has an ROTC program. ALLEN advised that the California Cadet Corps is a military science course, which would include military history, drill and some rifle range practice. ALLEN advised that Major MARCUS L. YOUNG, who teaches the course at John Muir High School could provide more detailed information and may have roll books reflecting SIRHAN's attendance. ALLEN advised that Major YOUNG is commissioned by the California Cadet Corps and did not know exactly what military standing his rank of Major possessed.
