MICHAEL ANTHONY SACCOMAN, 240 West Walnut, Apartment C, Monrovia, California, advised that on June 4, 1968, he went to the Fish Canyon firing range in Monrovia.

SACCOMAN identified a photograph of SIRHAN B. SIRHAN as being a photograph of a person that he saw at the Fish Canyon Range on June 4, 1968. SACCOMAN advised that he and SIRHAN exchanged guns and shot with each others gun. He stated that SIRHAN's gun was a small revolver, blue steel, with about a 2 $\frac{1}{2}$ " barrel. SACCOMAN stated that SIRHAN's revolver was very cheap and it held more than six shots. He stated that the gun was a .22 caliber pistol. SACCOMAN stated that SIRHAN's pistol had black plastic grips.

SACCOMAN stated that SIRHAN had several boxes of .22 caliber ammunition which he described as "hollowpoint, .22 Long Rifle, Mini-mags".

INVESTIGATION CONCERNING DONALD WICKSON,  
ALSO KNOWN AS DONALD DAVID EVANGELISTA,

Investigation concerning DONALD DAVID EVANGELISTA, true name Donald Wickson, extra banquet waiter at the Ambassador Hotel, Los Angeles, from May 17 to June 19, 1968, has previously been reported. Following is additional investigation in this matter:

1  
LA 56-156  
LFW/gk

Background Concerning  
DONALD DAVID WICKSON  
also known as  
Donald David Evangelista,  
Paul Letsky

On May 7, 1966, DONALD DAVID EVANGELISTA and PHILIP LUCIER, also known as Al Garzo, were arrested by the New Mexico State Police, West of Albuquerque, in possession of a 1965 Chevrolet Corvair, registered to SUSAN and DIANE BUTCHER of South Pasadena, California, and reported stolen to the South Pasadena Police Department on May 7, 1966.

LUCIER was known to DIANE BUTCHER as AL GARZO and had driven the car several times when with DIANE but no permission given to take the car. The United States Attorney at Albuquerque declined prosecution, May 9, 1966, in view of the association of EVANGELISTA latter identified as DONALD DAVID WICKSON, and LUCIER with the owners of the vehicle.

Investigation disclosed the South Pasadena Police planned to obtain a Grand Theft Auto warrants and that the Worcester, Massachusetts Police had warrants on both WICKSON and LUCIER as of May 1966

The Los Angeles Police Department advised June 4, 1968, that a 1968 Mustang convertible with Massachusetts license had been recovered on that date at the Los Angeles International Airport and it was ascertained that this vehicle had been reported stolen to the Worcester Police, May 9, 1968. Inquiry revealed that WICKSON, using a Massachusetts Drivers license of PAUL LETSKY of Worcester, had rented the Mustang, May 6, 1968, at Worcester from the Heywood Leasing Company. LETSKY's apartment had been broken into and license and clothing stolen.

LA 55-156

LFW/gk

WICKSON during interview at his residence by SA KENNETH R. OLSON and SA GERALD F. MOORE, November 25, 1968, admitted renting the above Mustang, under the name of LETSKY, driving it to Los Angeles and abandoning it at the International Airport.

On November 27, 1968 a complaint was filed by SA STEVEN E. DUCKER, before United States Commissioner JOHN A. CHILDRESS at Los Angeles, California, charging WICKSON with a one count violation of Title 18, U.S. Code, Section 2312, the Interstate Transportation of a Stolen Motor Vehicle, which involved the Mustang Convertible.

A warrant was issued and WICKSON was in a fugitive status as of December 6, 1968.

It was further ascertained that the South Pasadena Police Department still held a Grand Theft Auto warrant for WICKSON but was delaying action on it pending the results of the Federal prosecution. The Worcester, Massachusetts Police, as of November 22, 1968, held felony warrants for DONALD WICKSON, charging 25 counts of larceny and 13 counts of uttering and forgery and one count of larceny of a motor vehicle.

The records of Grand County Colorado, October 25, 1968, revealed that DONALD WICKSON was arrested by the Colorado State Patrol, August 6, 1968, at Hot Sulphur Springs, Colorado, for driving without a valid drivers license and served 30 days in the County jail. These records described WICKSON as, white, male, American, born [REDACTED] at Worcester, Massachusetts, 5'7" tall, 140 pounds, brown hair, blue eyes.

DONALD WICKSON, Apartment 9, 5933 Gregory Avenue, Los Angeles, telephone 466-0550, telephoned the FBI office in response to an attempt to contact him at his apartment by Special Agent LESLIE F. WARREN on the previous day. Mr. WICKSON said that he had no additional information to add to his previous interview conducted by the FBI with respect to the shooting of Senator ROBERT F. KENNEDY. WICKSON claimed that he had been employed at the Ambassador Hotel, Los Angeles, at the time Senator KENNEDY was shot, as a waiter and had been in the room on the first floor below the Embassy Room at the time of the actual shooting and had not observed any activity before or after the shooting, which, in his opinion, was related to it. He continued that he had been examining photographs of SIRHAN SIRHAN in the newspapers and on television to ascertain if he may have observed SIRHAN at any time before. He had reached the conclusion that he had never seen SIRHAN SIRHAN at any time.

Mr. WICKSON said that while employed as a waiter at the Ambassador Hotel, he had used the name of DONALD DAVID EVANGELISTA. His true name, however, was DONALD WICKSON, and he was born [REDACTED] at Worcester, Massachusetts, under this name. His reason for using the name EVANGELISTA was that he had gotten into some trouble with the police in Worcester, Massachusetts, which was now straightened out, and had switched to the name of EVANGELISTA. He claimed to be presently using the name of WICKSON.

Mr. WICKSON related that he was currently attending a work orientation program at the University of California at Los Angeles, which was financed by the United States Government. He expected to obtain a position with possibly the California State Department of Employment or some related type position when he finished the course, which would be in the immediate future.

LT. HERNANDEZ: Okay, I'm going to get started here and see how far we can go.

9 A Thank you.

10 LT. HERNANDEZ: Okay, John, for the purposes of  
11 this interview, Sgt. Phil Alexander; my name's Hernandez,  
12 and the gentleman here is John Fahey, F-a-h-e-y; the  
13 stenographer, John, for your information is Mr. Ron Horlacher;  
14 and he's going to take this statement verbatim. Now, what  
15 we're trying to do here, John, is to determine the truth  
16 concerning statements made by you to members of the FBI and  
17 to other members of the Los Angeles Police Department. And  
18 I hope you'll be truthful with me at this time.

19 Q BY LT. HERNANDEZ: Now, on June 4, 1968, did  
20 you meet a young woman at the Ambassador Hotel?

21 A Yes, sir.

22 Q Was there anything during your association with  
23 that woman that led you to believe that she was in any way  
24 connected with the assassination of Senator Kennedy?

25 A No, sir.

26 Q Did you tell anyone, either the FBI or other

1 police officers anything that would have led them to believe  
2 that she was involved in the assassination of Kennedy?

3 A At the time I was excited, and I had this fear  
4 in me because of what--of the events that took place that  
5 day. I could have done it erroneously; yes, sir.

6 Q Okay, erroneously now, John, do you remember  
7 what you told these people?

8 A That possibly she could be the girl they were  
9 looking for.

-10 Q Would you repeat that, please?

11 A That possibly she could have been the girl that  
12 they were looking for.

13 Q Now, by the girl that they were looking for,  
-14 were you--

15 A --for the girl that was possibly involved in  
16 something.

17 Q Do you have any specific girl in mind?

18 A The girl that I was with that date.

19 Q What made you believe that the FBI or anyone  
20 was interested in that girl?

21 A Because, ah, well, it was known that a girl was  
22 involved.

23 Q Uh huh.

24 A And that from what the lady had made statements  
25 to me about, reflection of her bad taste toward Mr. Kennedy  
26 or the party that he was involved with, led me to believe

1 that possibly that she had something to do with it.

2 Q Okay, as a matter of fact, John, now you know  
3 that in your mind all along there was nothing that happened  
4 that would lead any reasonable person to form a belief that  
5 she was connected with the assassination of Senator Kennedy,  
6 was there?

7 A Now that I have sat down and thought it all  
8 through, you're right; yes, sir.

9 Q Okay, now after you left the Ambassador Hotel on  
10 the 4th of June, you had indicated that you thought (you  
11 were being followed. Why did you say that?)

12 A Maybe you would drive up Wilshire, you take them  
13 there with you all the way--you take a right, and they keep  
14 continue going, but this man stayed right with me.

15 Q Did he at any time threaten you?

16 A No, sir.

17 Q Okay now, let's go to the Volkswagen. You  
18 described that as a blue vehicle?

19 A Yes, the same color as the Ford.

20 Q Blue.

21 A Right.

22 Q Did this car follow you?

23 A Yes, sir.

24 Q Where did it follow you to?

25 A It was following me on the road towards Oxnard,  
26 and it was apparent that we were being watched or followed,

1 and I had a desire to pull over and find out, as I said to  
2 the girl, the lady, I'm going to find out who in the hell  
3 they are following us. So I took a left, and I pulled over  
4 on the rocks. This is the area. And I parked. He pulled  
5 over and parked on my right and got out of his car.

6 Q Did you talk with that man, the driver?

7 A No, sir.

8 Q Did he say anything to you?

9 A No, sir.

10 Q Did he threaten you?

11 A No, sir.

12 Q Okay, now going back to the woman. You described  
13 her to me as being a nutty individual; what did you mean by  
14 that?

15 A Her statements, her conversations at times like  
16 talking about Kennedy the way she did, talking about McCarthy  
17 the way she did. She didn't like any of them. She was on  
18 the move. She said she'd only been here three days from  
19 New York. She had a lot of clothes she had to ship to  
20 Australia.

21 THE REPORTER: Slow down.

22 A Excuse me.

23 THE REPORTER: She had only been here three days  
24 from New York?

25 A Right.

26 Australia? THE REPORTER: She had what to ship to

1 A She had a lot of clothes she said and she had  
2 to ship them to Australia. She wanted to get out of the  
3 country. She was leaving the country.

4 Q BY LT. HERNANDEZ: Would you describe this  
5 individual as a hippie?

6 A In one respect she--you could look at her as a  
7 hippie; yes, sir.

8 Q Okay, so you've described her as a hippie and as  
9 a--

10 A Or a lady who travels like say the Middle East.

11 Q BY SGT. ALEXANDER: Not an American or like you  
12 and I, we take a shower every couple of days, or we shave  
13 ourselves real good to keep clean?

14 A No.

15 Q BY LT. HERNANDEZ: I'm trying to keep slow so  
16 the gentleman can get the information.

17 A Excuse me.

18 Q Why do you say the Middle East? Why the Middle  
19 East?

20 A Features. Her accent, the way she used at times.  
21 She had an accent and when she gave me her real name, as  
22 what she said, Oppenheimer, I figured Middle East, Middle  
23 East.

24 Q Okay, but she was a nutty type person to you?

25 A Yes, sir.

26 Q And she looked like a hippie?

1 A Yes, sir.

2 Q Did you ever form the idea in your mind that the  
3 people that were following, if they were following you, might  
4 have been a boyfriend or a husband or someone that knew her?

5 A It could have been; yes, sir.

6 Q Did you think about this?

7 A Not at that time; no, sir.

8 Q Have you ever thought about it?

9 A No, sir.

10 Q Will you think about it now?

11 A Yes, sir, it could be; yes, sir, that could be  
12 true.

13 Q Is there anything, John, in your mind, that you  
14 could tell us that happened to you on the 4th of June that  
15 might have any connection, even the slightest connection,  
16 with the assassination of Senator Kennedy?

17 A There isn't anything, sir.

18 Q Are you telling the truth now?

19 A Yes, sir.

20 Q Is there anything you want to ask, Phil?

21 Q BY SGT. ALEXANDER: I just want to get this  
22 cleared up about Fernando Faura. You say that there's been  
23 many times that he has insinuated things to you and put  
24 words in your mouth, so to speak, led you to believe certain  
25 things that you consequently found out not to be true and  
26 so forth?

1 I'd like you to expound on that a little bit just to  
2 say for the record to get it straight.

3 A Ah, well ask me some questions about it, and I  
4 can go from there, huh?

5 Q All right, has Fernando Faura ever told you,  
6 for instance, that---that this woman that you was with had  
7 anything to do with Kennedy's assassination?

8 A When I first went to Fernando Faura, I explained  
9 my story to him that I was with this lady, and regardless  
10 whether she was the girl or wasn't the girl, was immaterial;  
11 that, however, we would find this lady, and from that point  
12 on he took me out to the San Fernando Police Station and  
13 interrogated me at great length on several different  
14 occasions. And I actually was led to believe that he was  
15 part of the Police Department there through his conversations  
16 with me, and he made me feel as if through the course of our  
17 interrogations that this was the girl that we were looking  
18 for or that you gentlemen were looking for. And as our  
19 association went on, it just elevated until where that he  
20 was following the FBI. There was some hotel man that he  
21 contacted; that the FBI had contacted, and this was how they--  
22 he and this--whoever this photographer was, got involved  
23 with this hotel situation was because of this man by the  
24 name of Hammond. He's a hotel manager or something of this  
25 nature, and this Hammond gave him information that the FBI  
26 was staking out a girl, supposed to be my girl et cetera,

1 and as things of this nature built up and elevated, and he  
2 tried to make me believe that this was the girl. And  
3 naturally I become excited and I become feared and appauled  
4 about it, and he took me back to San Fernando Police Station  
5 where I met a Lt. Stein. He had me sit with him in a--  
6 I got an--Ident Kit they called? And put description of the  
7 girl--my girl together. Then he took this ident composite  
8 to a hippie artist, and he drew this girl in color. Then he  
9 had snapshots made of this girl, and he's been showing this  
10 girl to different witnesses. He took me to a hypnotist, a  
11 doctor, who is supposed to have hypnotized me, and he really  
12 didn't. I was--if he did, I--I was unaware of it, and there  
13 was a witness there called Chuck that was supposed to have  
14 worked for the Kennedy people at that time, and he identified  
15 the picture as the girl or one of the girls that was supposed  
16 to have been there or something of that nature. Ah, he  
17 stated also that this maitre d', DiPierro, has identified  
18 the girl as that--the girl, being the girl.

19 Q BY LT. HERNANDEZ: But as a matter of fact, John,  
20 this girl that you're referring to from the Ident Kit, you  
21 knew all along this girl didn't exist; didn't you?

22 A The girl exists. The girl, my girl, that was  
23 with me that day?

24 Q Yes.

25 A That's who the girl is, the picture is of.

26 Q Well, is it a picture of the person that you
