TO : SAC, LOS ANGELES

DATE: 6/5/68

FROM : SUPERVISOR JAMES L. CLOAR

SUBJECT: ATTEMPTED ASSASSINATION OF
SENATOR ROBERT F. KENNEDY
6/4/68

At approximately 8:40 a.m., 6/5/68, Mr. LESTER CLARK, 217 1/2 East Florence, Los Angeles, telephone 751-0779, telephonically advised he observed the individual who allegedly shot Senator KENNEDY on television and he believes him to be an individual that he knew in Saint Peter, Minnesota, in 1961.

CLARK stated he was employed as a part-time guard at the Saint Peter State Insane Asylum, Saint Peter, Minnesota, in May, June, and July, 1961. He stated the person he saw on television as having shot Senator KENNEDY was identical to an inmate by the name of JOE MENDEZ (phonetic). He stated MENDEZ was at the asylum for criminally assaulting a young child and was in the criminal ward of the hospital. He claimed MENDEZ escaped in July, 1961, and as far as he knows was never located.

CLARK stated MENDEZ has a small scar on his right forearm located about the middle of the forearm. He stated it appears to have probably been made by a cigarette burn.

CLARK stated he was not positive of the identity but felt reasonably sure it is the individual he knew as JOE MENDEZ. CLARK stated he could be reached at this telephone number any time during the day.

Facts of complaint

Warren is a Racial Liason Source of Los Angeles Office.

Warren telephoned that this morning he had received ^{two} ~~two~~ ^{communication} communications through the mail:

One envelope was addressed to Director, NAACP, Watts Section, Los Angeles, Calif. It was postmarked 5-31-68, Pittsburg, Penn. and bore no return address. Inside was a whole sheet, color white, bearing yellow printing, reading, "Kindly see that your people keep a respectable distance from Senator Kennedy" There was no additional printing on the sheet and the message was in the form of a note. It bore no signature nor date. The message appeared to be regular printing or a mimeograph job - not hand-printing.

The other communication was in an envelope bearing the address of NAACP, Watts Section, Los Angeles, Calif. The postmark is June (illeg.) 1968. (Possibly June 2), Bellevue, Pennsylvania. This envelope also contained a note which read: "Kennedy as an Attorney-General did nothing for you. Kennedy as a Senator did nothing for you. As President, what would he do for you? The same thing - NOTHING." The note was not signed and no further information appeared on the sheet which appeared to be cut down from regular size and cut in crooked fashion. The paper was white and unlined. In this instance the note was typewritten.

Warren advised that both communication were sent airmail; that one envelope appeared to be a business type envelope while the other was of a personal type. He has both letters in his possession. He advised that he has no knowledge who is the sender and knows of no others of this type.

At 4:06 P.M., 6/5/68, Legat NATHAN L. FERRIS, Mexico City, telephonically advised as follows:

FERRIS stated Assistant Director WILLIAM C. SULLIVAN had advised the Legat, Mexico, to insure representative photographs of suspect SIRHAN SIRHAN were transmitted to the Legat in Mexico City by the most expeditious means possible.

Legat FERRIS advised that if possible the photographs should be placed with the captain of a Western Airlines flight to Mexico City with instructions to leave it at the Western Airlines office at the airport in Mexico City. The package should be addressed to Legal Attache NATHAN L. FERRIS, American Embassy, Mexico D.F., Mexico, and should merely bear the return address of the Los Angeles Office and not the usual "frank."

FERRIS requested to be advised telephonically of the flight the photographs will be on so that they can arrange to meet the plane.

In view of the above, this request should receive expeditious handling.

Efforts to learn the purpose of furnishing these photographs to Mexico City were unproductive as FERRIS stated it would not be wise to discuss the matter any further over the telephone.
