She said that in her few encounters with her brother, SIRHAN, her conversations were always short and very light, never discussing anything such as politics or ideologies. She stated that she never remembers his brother to display any sign of temper or violence in her presence.

She said that the upper floor of the Fez Restaurant was a very pro-Arab nationalist environment. On the night that Senator KENNEDY was assassinated, several of the individuals there, whom she did not know by name, indicated that they were glad that the "Jewish lover" was dead. She stated also that she sensed, among many of the Arab people at the Fez, the strong feeling of anti-Americanism.

[REDACTED] stated that the former chairman of the Los Angeles Du Bois Club mentioned that members of the leadership of the SCDCP had contacted him on June 5, 1968, with reference to statements attributed to Los Angeles Mayor SAM YORTY, which left the impression that SIRHAN SIRHAN was associated with the W.E.B. Du Bois Clubs of America. They reportedly expressed great concern and inquired as to whether the chairman knew if SIRHAN SIRHAN had ever had any contact with, or was a member of, the W.E.B. Du Bois Clubs of America. The chairman also reported that [REDACTED] had called a meeting of key members of the CP for the evening of June 6, 1968, to decide what action, if any, should be taken to disclaim that SIRHAN SIRHAN was affiliated with the W.E.B. Du Bois Clubs of America. It was tentatively agreed that FRANKLIN ALEXANDER, former national chairman of the W.E.B. Du Bois Clubs of America, and current member of the CP, would go to Columbia Broadcasting System, Inc., in Los Angeles, together with ROBERT DUGGAN, former chairman of the Los Angeles Du Bois Club and current chairman of the Youth Commission, SCDCP, to deny that SIRHAN SIRHAN had ever been affiliated with the W.E.B. Du Bois Clubs of America.

The Communist Party, USA (CP, USA), has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

SOUTHERN CALIFORNIANS TO ABOLISH THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE, Also Known As Abolition of the House Un-American Activities Committee, Citizens Committee to Preserve American Freedoms

A source advised on January 25, 1966, that the Citizens Committee to Preserve American Freedoms, (CCPAF) 555 North Western Avenue, Los Angeles, California, had recently changed its name to Southern Californians for Abolition of the House Un-American Activities Committee.

The same source advised on May 11, 1967, that subsequent to the adoption of the new name in January, 1966, the officers began to refer to it by the name Southern Californians to Abolish the House Un-American Activities Committee. This is now the official name and the letterhead of the organization carries the name as "Southern Californians to Abolish HUAC".

The "Guide to Subversive Organizations", revised December 1, 1961, pp. 43-44, describes the CCPAF as follows:

"The Citizens Committee to Preserve American Freedoms * * * specializes in propaganda aimed at abolishing the Committee on Un-American Activities and discrediting the Federal Bureau of Investigation. Created in Los Angeles in 1952, the front organization is run by FRANK WILKINSON, an identified Communist who recently resumed the full-time, paid post of executive secretary after approximately a year's leave of absence to assist in a similar campaign by another front in New York City, the Emergency Civil Liberties Committee.

"When the Committee on Un-American Activities held hearings in Los Angeles, September 2-5, 1958, to inquire into the nature of the Party's recent reorganization in California, the Citizens Committee to Preserve American Freedoms sponsored a series of public meetings to protest the hearings and the very existence of the Committee. Communists subpoenaed as witnesses were guests of honor.

"At this time, leaders of the Party's Southern California District were mobilizing Communists in the area for participation in an intensified campaign to abolish this committee of Congress. How the Citizens Committee to Preserve American Freedoms served the Party in this effort was revealed by (Communist Party) District Chairman DOROTHY HEALEY in a report to the Party's Southern California District Council on September 21, 1958. Mrs. HEALEY declared that the Party preferred public protest meetings to be held by the Citizens Committee to Preserve American Freedoms rather than under party auspices because Communists could attend without danger of being exposed as members of the Party. She also noted that Communists scheduled as congressional committee witnesses could not appear beforehand at open Communist rallies without creating the impression that the Party was conspiring with witnesses to withhold information from the committee."

STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam and to "radically transform" the university community, and provide for its complete control by students. Gus Hall, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us". At the June, 1965, SDS National Convention, an anticommunist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes", the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome. The national headquarters of this organization as of April 18, 1967, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.
