ASSASSINATION OF SENATOR
ROBERT F. KENNEDY

On 10/14/68, Dr. John Holloway, Deputy Medical Examiner, Los Angeles County, California, telephonically contacted the Laboratory at the request of the Chief Medical Examiner for Los Angeles, Dr. Thomas T. Noguchi. Dr. Holloway stated that in a recent conference at the White House relative to this case, President Johnson expressed the desire to Dr. Noguchi to have a Federal laboratory conduct neutron activation analyses on certain items of evidence collected by the Los Angeles, California, Police Department and his office.

Dr. Holloway was inquiring if the FBI Laboratory could examine by neutron activation analysis methods a specimen bullet, foreign metallic deposits on a piece of bone and several biological specimens containing foreign metallic deposits. The purpose of such examinations is to show that the foreign metal deposits originated from a bullet of the same lot as used by assassin Sirhan Bishara Sirhan.

It was explained to Dr. Holloway that it was doubtful that such conclusions could be reached from such analysis and that at best, it might be concluded that the foreign metal smears could have originated from a bullet of similar composition. Our policy of not examining materials previously examined by other laboratories was also defined to Dr. Holloway. Dr. Holloway was not certain as to what examinations had been made but stated he would find out.

Upon conclusion of the discussion, Dr. Holloway advised that he would contact Dr. Noguchi and subsequently make a formal written request setting forth the examinations desired and the extent and nature of prior analyses. Dr. Holloway was advised that upon receipt of such information, the Bureau could then determine whether or not we would consider making any analyses.

Mr. David Lawrence, Editor

2300 N Street, N. W.
Washington, D. C. 20037

Dear Mr. Lawrence:

Would you please tell me the name and address of the lawyer who is to defend Sirhan Sirhan next November?

Some time ago he went on CBS and said he was investigating the "Whys" and "Whats" of the case. It is not that I was actually at the assassination spot, but I know the names of too many police out there who knew about Robert Kennedy and my lawsuit on Hearst when he sent me off to investigate falsified tax records, etc., etc..

Why he didn't get the ultimate in police protection a couple of blocks there from my aunt's apartment is a little bit reminiscent of the Dallas ride of his brother. (But his brother had _____ and excuses.) I heard too many Jewish people, including one Jewish cop, talk about "Ethyl" and "Courtneys" and there in the Sanders-Ynca Valley diset where I was literally held prisoner by ROBBERIES and vandolism.* They hated Robert Kennedy....(My mother, Mrs. Courtney, was almost burned to death, etc., etc., etc.)

I realize your June 3, 1968, tax-seeking story on him was not exactly friendly, Mr. Lawrence, but I am sure that you as well as - Mr. Williams, is it? - Sirhan's lawyer would be interested in the registered receipts I have from U. S. Attorneys in Los Angeles about Robert Kennedy and tax investigations, but I never wanted him killed, particularly, Like any logical person, I dispise people getting rid of evidence.

I have actually written to Arabs about my wonderful (before it was contiscated by Ynca Valley Sheriff), still own a cabin out there on the Sanders, Calif. dessert, and haven't the slightest intention of getting mixed up in Kennedy - _____ politics. (Incidentally, your Feb 6, 1967 U. S. News & World Report on P. 43 suggests possible background for a "Kennedy" story forced on me by a big New Yorker, David Reilly, 357 E. 10th St. NYC, in that Johnson had President Kennedy murdered because he was going to report him on an abortion death. That Boby Baker told him that, That it was very dangerous to report stories on Pres. Johnson. Well I think it is, even more dangerous for the Jew-Irish (Hearsts) to force their politics on me.)

I'll be interested if you send me the name and address of Sirhan's lawyer, Mr. Lawrence (and if he will accept a telephone call from me collect).

Sincerely,

John Roland
